DIRECTIONS FOR USE

For optimal results, follow the recommended dosage:

- Take 4 tablets daily with breakfast or lunch.

Do not exceed the recommended daily dosage. Consult with a healthcare professional before starting any new supplement regimen, especially if you have pre-existing medical conditions or are taking other medications.

BENEFITS AND KEY FEATURES

Test X180 Boost is formulated with a comprehensive blend of ingredients to support various aspects of male health and performance:

- **Powerful Testosterone Support:** Increases vitality, enhances mood, supports muscle function, and improves athletic

stamina using ingredients traditionally used to promote testosterone.

- **Clinically Studied D-Aspartic Acid:** Contains a 3,120mg dose of D-Aspartic Acid, shown in a clinical study to promote testosterone production by 50% in just 12 days.
- **9-in-1 Testosterone Support:** Includes Fenugreek, Tribulus Terrestris, Boron Citrate (200mg), Black Maca, Horny Goat Weed, Cordyceps, Stinging Nettle, and DIM for a potent test support formula.
- **Sustained Energy:** Powered by Infinergy and zumXR, providing long-lasting energy and focus with gradual energy release, outperforming standard caffeine for peak stamina and performance.
- **Bonus Vitamins & Minerals:** Includes Vitamin D, Magnesium, and Zinc to support testosterone production, healthy hormone levels, and improve muscle growth.

SUPPORT:

Testosterone Levels

Vitality & Energy

Mood Balance

Muscle Function

Stamina & Endurance

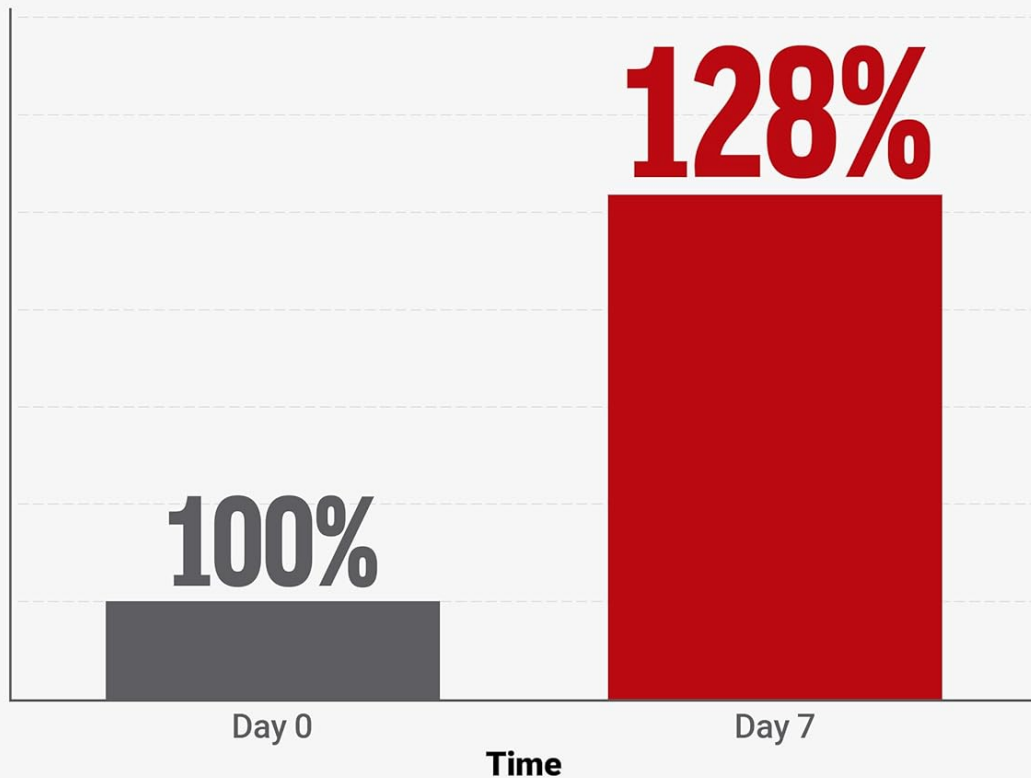

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

Image: Visual summary of product benefits, including support for testosterone levels, vitality, energy, mood balance, muscle function, stamina, and endurance.

RESULTS IN JUST **7 DAYS**

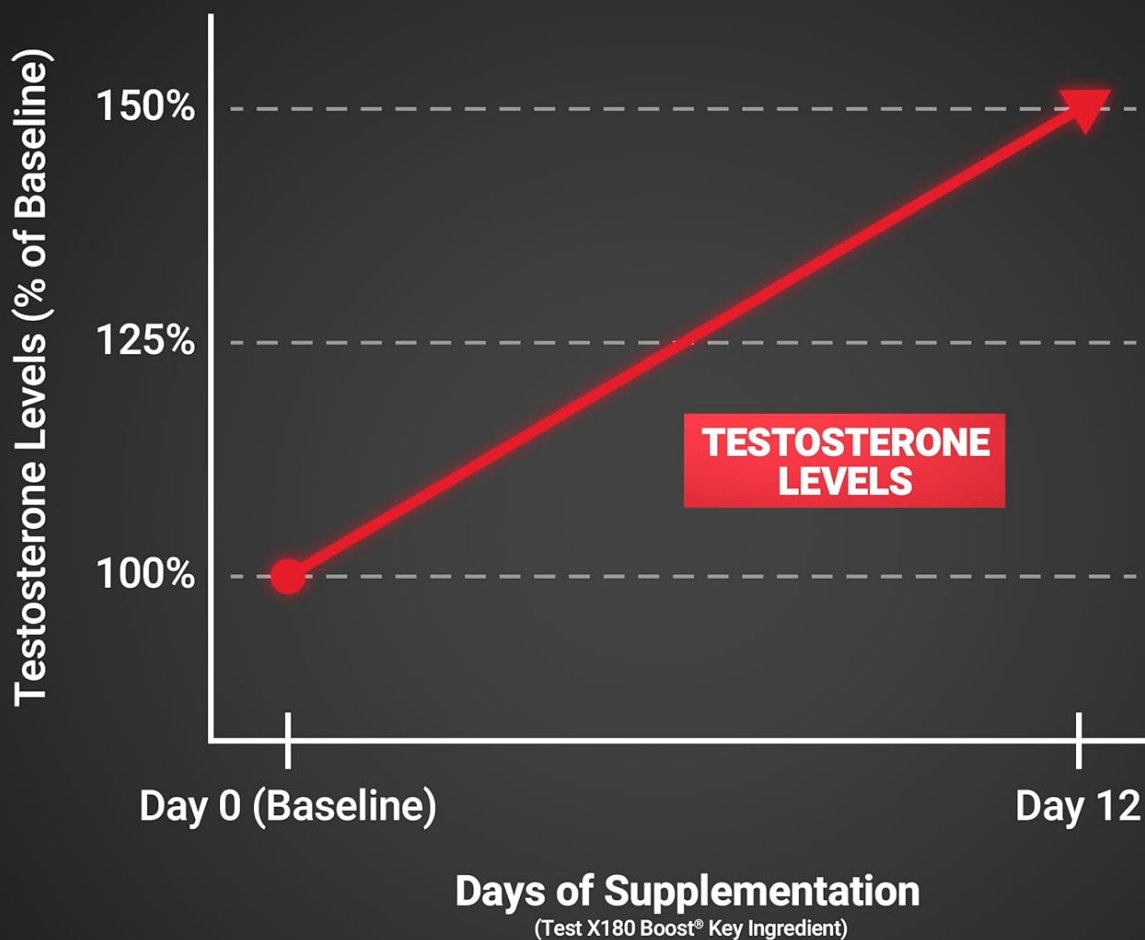

A key ingredient in **Test X180[®] Boost** is shown in a clinical study to support elevated free (active) testosterone levels in as little as **7 days**.*

*For illustrative purposes only. In a clinical study by Naghii et al. (2011), boron increased testosterone by up to 28% in just 7 days. These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Image: Graph illustrating a significant increase in free testosterone levels (128%) after just 7 days of use, based on a clinical study.

PROMOTE **50%** MORE TESTOSTERONE

*D-aspartic acid has been shown to significantly increase LH and testosterone in as little as 12 days in a human and animal study (Topo et al., 2009).

Image: Graph demonstrating a 50% increase in testosterone levels over 12 days of supplementation with the key ingredient D-Aspartic Acid.

EXTRA T-BOOSTING NUTRIENTS

Every dose contains **Vitamin B, Vitamin D, Magnesium, and Zinc** to support peak **testosterone**.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

UNLOCK **LONG-LASTING** ENERGY

zumXR[®] vs GENERIC CAFFEINE

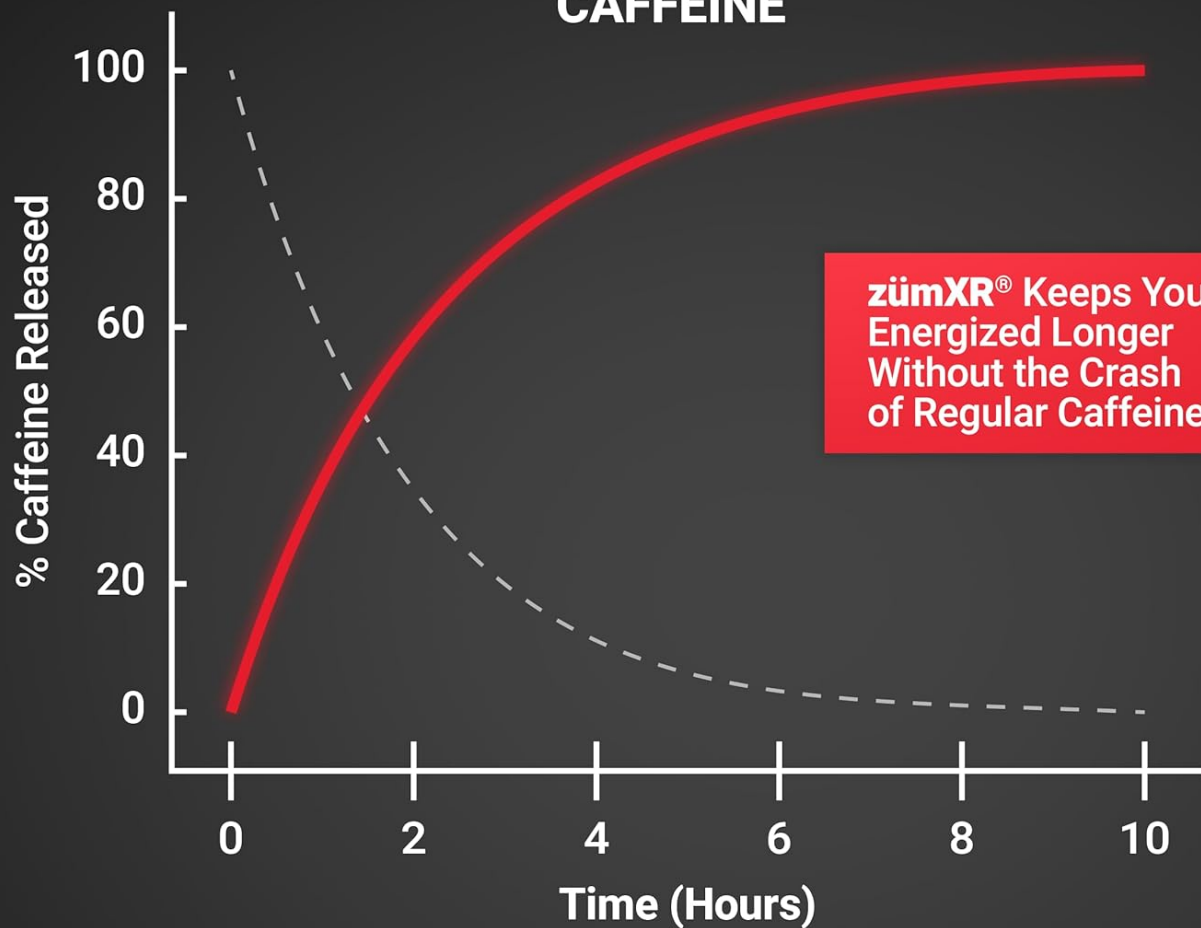

Image: A graph comparing the sustained release of zumXR caffeine versus the rapid release of generic caffeine, illustrating longer-lasting energy without a crash.

SAFETY INFORMATION AND WARNINGS

It is crucial to adhere to safety guidelines when using any dietary supplement. Please read the following carefully:

- Statements regarding dietary supplements have not been evaluated by the Food and Drug Administration (FDA).
- This product is not intended to diagnose, treat, cure, or prevent any disease or health condition.
- Do not exceed the recommended dosage.
- Consult your physician before use if you have a medical condition or are taking any prescription medications.
- Discontinue use and consult your doctor if any adverse reactions occur.
- Keep out of reach of children.

Image: Trust indicators showing the product contains no preservatives, no artificial flavors, no sugar, no gelatin, and no artificial dyes.

STORAGE

Store Test X180 Boost in a cool, dry place, away from direct sunlight and moisture. Ensure the cap is tightly sealed after each use to maintain product freshness and potency.
