WHAT'S IN THE BOX

- 1 x Lil Bird
- 1 x Birdhouse
- 1 x Instruction Manual
- Demonstration Batteries (2 x AAA)

SETUP

1. Battery Installation

Your Lil Bird comes with demonstration batteries. For optimal performance, it is recommended to replace them with new AAA batteries.

1. Locate the battery compartment on the underside of the Lil Bird.
2. Using a small Phillips head screwdriver, unscrew the battery compartment cover.
3. Remove the old batteries and insert 2 new AAA batteries, ensuring correct polarity (+/-).

4. Replace the cover and tighten the screw.

OPERATING YOUR LIL BIRD

1. Power On/Off

Locate the ON/OFF switch on the underside of your Lil Bird. Slide the switch to the 'ON' position to activate the bird.

2. Chirping and Singing

To hear your Lil Bird chirp and sing, gently pet its head or back. The more you interact with it, the more it will respond with various bird sounds and melodies.

3. Voice Record and Playback

Your Lil Bird can record and repeat short phrases. To activate this feature:

1. Press and hold the button on the bird's wing.
2. Speak clearly into the bird's microphone (located near its beak).
3. Release the button, and the Lil Bird will play back your recorded message in a fun, high-pitched voice.

MAINTENANCE

Cleaning

To clean your Lil Bird and birdhouse, gently wipe with a soft, dry cloth. Do not immerse in water or use harsh cleaning agents, as this may damage the electronic components.

Storage

When not in use for extended periods, turn off the Lil Bird to conserve battery life. Store the bird and birdhouse in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

- **Bird not responding:** Ensure the ON/OFF switch is in the 'ON' position. Check if the batteries are correctly installed and have sufficient power. Replace batteries if necessary.
- **Voice recording issues:** Speak clearly and close to the bird's beak. Ensure you are pressing and holding the wing button correctly during recording.
- **Birdhouse assembly:** Refer to the visual guides on the packaging or product images for correct

assembly of the birdhouse stand and clipping mechanism.
