UFACE Tranexamic Acid Serum Essence User Manual

Model: B089CV259N

1. PRODUCT OVERVIEW

The UFACE Tranexamic Acid Serum Essence is a skincare product designed to improve skin complexion and texture. This 30ml serum aims to reduce yellowness, firm, and lift the skin, leading to a more even, tender, and firm appearance.

Image 1.1: The UFACE Tranexamic Acid Serum bottle alongside its retail packaging, showcasing the product's design and branding.

Key Features:

- **Updated Packaging:** The product packaging has been updated. Customers may receive either the new or classic version randomly.
- **Skin Benefits:** Helps to reduce yellowness and contributes to firming and lifting the skin.
- **Application:** Designed for daily use, applied a few drops at day and night after toner.
- **Volume:** Each bottle contains 30ml of serum.
- **Origin:** Made in China.

New Package Is Updated !

New & Classic Version Will Be Shipped At Random

2. INGREDIENTS

The UFACE Tranexamic Acid Serum is formulated with a blend of ingredients aimed at skin improvement and soothing. The product is a colorless and transparent liquid with a fresh and delicate texture.

Ingredients

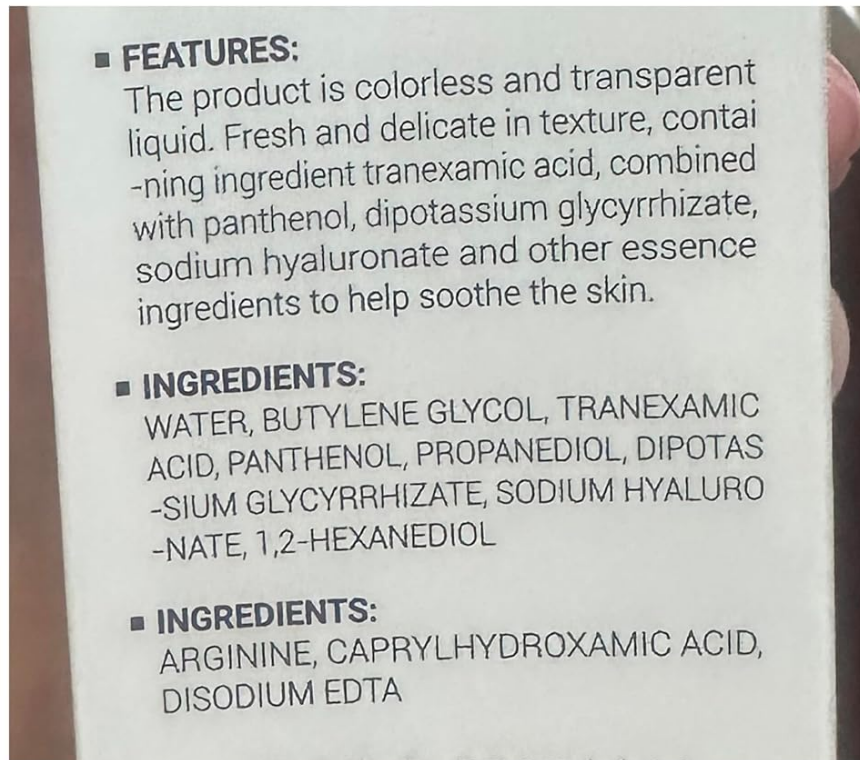

Image 2.1: A detailed view of the product's ingredient list, highlighting the key components and their functions.

Primary Ingredients:

- **Tranexamic Acid:** A key ingredient for improving complexion.
- **Panthenol:** Known for its moisturizing and soothing properties.
- **Dipotassium Glycyrrhizate:** An ingredient derived from licorice root, often used for its soothing effects.
- **Sodium Hyaluronate:** A form of hyaluronic acid, excellent for hydration.
- **Other Essence Ingredients:** Additional components designed to help soothe the skin.

Full Ingredient List: WATER, BUTYLENE GLYCOL, TRANEXAMIC ACID, PANTHENOL, PROPANEDIOL, DIPOTASSIUM GLYCYRRHIZATE, SODIUM HYALURONATE, 1,2-HEXANEDIOL, ARGININE, CAPRYLHYDROXAMIC ACID, DISODIUM EDTA.

3. SAFETY INFORMATION

Please read and adhere to the following safety guidelines to ensure proper and safe use of the UFACE Tranexamic Acid Serum Essence.

- **External Use Only:** This product is intended for external topical application only. Do not ingest.
- **Keep Away From Children:** Store the product out of reach of children to prevent accidental ingestion or misuse.
- **Allergy Warning:** If you experience any allergic reaction, irritation, or discomfort after applying the product, discontinue use immediately and consult a healthcare professional.
- **Patch Test:** It is recommended to perform a patch test on a small area of skin before full application, especially if you have sensitive skin or known allergies.
- **Avoid Eye Contact:** Avoid direct contact with eyes. If contact occurs, rinse thoroughly with water.

4. USAGE INSTRUCTIONS

4.1. Setup (First Use)

Upon first use, ensure the dropper is securely attached to the bottle. Remove the cap and gently squeeze the dropper bulb to draw the serum into the pipette. The product is ready for application.

Image 4.1: The serum bottle with its dropper, illustrating how a single drop of the essence is dispensed, ready for application.

4.2. Operating (Daily Application)

1. **Cleanse Skin:** Begin with a clean face. Wash your face with your preferred cleanser and pat dry.
2. **Apply Toner:** If part of your routine, apply your usual toner before the serum.
3. **Serum Application:** Using the dropper, apply a few drops of the UFACE Tranexamic Acid Serum Essence directly onto your face.
4. **Gentle Massage:** Gently massage the serum into your skin using upward and outward motions until fully absorbed.
5. **Frequency:** For optimal results, apply the serum both in the morning and at night.

5. MAINTENANCE

Proper storage and care will help maintain the efficacy and shelf life of your UFACE Tranexamic Acid Serum Essence.

- **Storage:** Store the serum in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Cap Securely:** Always ensure the dropper cap is tightly sealed after each use to prevent contamination and evaporation.
- **Clean Dropper:** Avoid touching the dropper directly to your skin to prevent bacterial contamination of the product. If the dropper comes into contact with skin, wipe it clean with a sterile tissue before returning it to the bottle.

6. TROUBLESHOOTING

This section addresses common concerns you might encounter with the UFACE Tranexamic Acid Serum Essence.

Problem	Possible Cause	Solution
Skin irritation or redness occurs after use.	Possible allergic reaction or sensitivity to an ingredient.	Discontinue use immediately. Consult a dermatologist if symptoms persist. Perform a patch test before reintroducing any new product.
Serum appears cloudy or has changed color/smell.	Product degradation due to improper storage (e.g., exposure to heat/light) or expiration.	Ensure product is stored in a cool, dry place away from direct sunlight. Check the expiration date. If the product's appearance or smell has significantly changed, it is best to discard it.
No noticeable improvement in skin condition.	Insufficient usage time, inconsistent application, or individual skin response variation.	Consistent daily use (morning and night) is crucial. Allow sufficient time (e.g., 4-6 weeks) to observe results. Ensure proper application technique. If concerns persist, consult a skincare professional.
