COGO 4550

COGO 4550 Beach Villa Building Blocks Instruction Manual

Model: 4550 | Brand: COGO

1. INTRODUCTION

This instruction manual provides detailed guidance for assembling and enjoying your COGO 4550 Beach Villa building block set. This set allows for the construction of a charming two-story seaside villa, complete with interior details and outdoor elements, fostering creativity and fine motor skills.

The COGO 4550 Beach Villa set includes 360 pieces, designed for children aged 6 years and older. It features a modular design that allows the villa to be expanded 180 degrees, offering various play configurations.

2. SAFETY INFORMATION

Please read and understand all safety precautions before assembly and play.

- Small Parts Warning:** This set contains small parts which may pose a choking hazard for children under 3 years of age. Adult supervision is recommended during assembly and play, especially with younger children present.
- Material Safety:** All COGO building blocks are made from high-quality ABS plastic, which is non-toxic, odorless, and safe for children. The surfaces are smooth and free of burrs to ensure a comfortable and safe play experience.
- Age Recommendation:** This product is recommended for ages 6 and up.
- Proper Use:** Do not throw or step on the blocks, as this may cause damage to the product or injury.

3. SETUP (ASSEMBLY INSTRUCTIONS)

Follow these steps to assemble your COGO 4550 Beach Villa. An illustrated operation manual is included in the product packaging for detailed, step-by-step guidance. Parents are encouraged to assemble the set with their children to enhance the building experience and foster parent-child interaction.

- Unpack Components:** Carefully open the package and lay out all the building block pieces. Verify that all 360 pieces are present according to the parts list in the included manual.
- Identify Base Plates:** Begin by identifying the base plates, which form the foundation of the villa.

3. **Follow Manual Instructions:** Refer to the included instruction booklet for a step-by-step guide on connecting the blocks. Each step will show which pieces to use and where to place them.
4. **Build Sections:** The villa is typically built in sections, starting with the ground floor, then adding the second floor, roof, and exterior details.
5. **Attach Accessories:** Once the main structure is complete, attach smaller accessories such as furniture, plants, and mini-doll figures.
6. **Modular Expansion:** The two-story villa can be expanded 180 degrees. Follow the manual to understand how to configure the sections for different layouts.

4. OPERATING (PLAY FEATURES)

The COGO 4550 Beach Villa offers a variety of interactive play features:

- **Openable Doors and Windows:** The villa features functional doors and windows that can be opened and closed, allowing for realistic play scenarios.
- **Interior Details:** Explore the living room with a TV, a fully equipped kitchen, and a dining area.
- **Outdoor Activities:** The set includes elements for outdoor play, such as a bicycle for riding by the sea and beach chairs with a parasol for sunbathing.
- **Mini-Doll Friends:** Three mini-doll figures are included to inhabit the villa and engage in various activities.
- **Customizable Layout:** The villa's 180-degree expansion capability allows for different configurations, encouraging imaginative play and storytelling.

5. MAINTENANCE

To ensure the longevity and cleanliness of your COGO Beach Villa building blocks, follow these maintenance guidelines:

- **Cleaning:** Wipe the blocks with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and air drying. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the blocks in a clean, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to sunlight can cause colors to fade.
- **Handling:** Handle the blocks gently to prevent breakage or damage to the connecting studs.

6. TROUBLESHOOTING

If you encounter any issues during assembly or play, consider the following common solutions:

- **Difficulty Connecting Blocks:** Ensure that the blocks are aligned correctly before applying pressure. Some blocks may require a firm push to connect securely. If a block is consistently difficult to connect, check for any deformities or excess material.
- **Missing Pieces:** If you believe a piece is missing, first double-check the packaging and assembly area. If a piece is genuinely missing, please contact COGO customer support (see Section 8).
- **Structure Instability:** Ensure all connections are firm and that you have followed the assembly instructions precisely. Incorrect placement of a single block can affect the stability of the entire structure.
- **Figures Not Standing:** Ensure the mini-doll figures are correctly attached to the studs on the base plates or other blocks.

7. SPECIFICATIONS

Feature	Detail
Brand	COGO
Model Number	4550
Number of Pieces	360
Main Material	ABS Plastic
Product Dimensions (LxWxH)	19.2 x 14 x 15 cm
