BABY JOY Grey Upgrade with Diaper Changer

BABY JOY 3-in-1 Pack and Play Instruction Manual

Model: Grey Upgrade with Diaper Changer

Brand: BABY JOY

1. INTRODUCTION

Thank you for choosing the BABY JOY 3-in-1 Pack and Play. This versatile product is designed to adapt to your child's growth, functioning as a comfortable bassinet for newborns, a secure playard for toddlers, and a convenient changing table. Its portable design and robust construction ensure safety and ease of use for families on the go. Please read this manual thoroughly before assembly and use to ensure proper operation and safety.

2. IMPORTANT SAFETY WARNINGS

FAILURE TO FOLLOW THESE WARNINGS AND THE INSTRUCTIONS COULD RESULT IN SERIOUS INJURY OR DEATH.

- Always ensure all locking mechanisms are engaged before placing a child in the playard or using the changing table.
- Never leave your child unattended in the playard or on the changing table.
- The maximum weight capacity for the bassinet and changing table is 20 lbs. The maximum weight capacity for the playard is 33 lbs.
- This product is suitable for children from 0-36 months old.
- Always use the mattress pad provided by the manufacturer. Do not add additional padding or mattresses, as this can create a suffocation hazard.
- Ensure the playard is set up on a flat, level surface.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Regularly inspect the product for any signs of wear, damage, or loose parts. Discontinue use if any damage is found.
- This product is ASTM certified, ensuring compliance with safety standards.

3. PARTS LIST

Please ensure all parts are present before beginning assembly:

- Main Playard Frame
- Removable Bassinet
- Water-Resistant Changing Table
- Foldable Mattress Pad
- Music Box with Lights & Vibration
- 3 Hanging Toys
- Removable Storage Bag
- Convenient Carrying Bag

4. SETUP AND ASSEMBLY

Follow these steps to set up your BABY JOY Pack and Play:

1. Unfolding the Playard:

- Take the playard out of its carrying bag and keep it standing vertically.
- Pull up the short armrests until they lock into place.
- Pull up the long armrests until they lock into place.
- Once all four side rails are locked, firmly press down the center of the bottom base until it is fully extended and flat.

It is crucial that all four corners are pushed down and locked before pressing the center base. You will hear a 'snap' when the sides are correctly locked.

5. OPERATING MODES

The BABY JOY Pack and Play offers three distinct modes to support your child's development:

- **Bassinet Mode:** Ideal for newborns (0-6 months or up to 20 lbs). The removable bassinet provides a cozy and elevated sleeping space, making it easier to access your baby.
- **Playard Mode:** For infants and toddlers (up to 36 months or 33 lbs). Once your child can push up on their hands and knees, or reaches the weight limit of the bassinet, remove the bassinet and use the full-sized playard. The breathable mesh on all sides allows for better observation and air circulation.
- **Changing Table Mode:** The water-resistant changing table can be attached to the playard for convenient diaper changes. Always ensure it is securely fastened before placing your child on it.

6. MAINTENANCE AND CARE

Proper maintenance will extend the life of your Pack and Play:

- **Cleaning:** Wipe down the fabric and frame with a damp cloth and mild soap. Do not use harsh abrasives or bleach. Allow to air dry completely before folding or storing.
- **Mattress Pad:** The mattress pad is water-resistant. Wipe clean with a damp cloth. Do not machine wash or tumble dry.
- **Fabric:** The oxford fabric is durable and easy to clean.
- **Frame:** The anti-rust iron frame can be wiped clean as needed.
- **Storage:** Store in a cool, dry place away from direct sunlight when not in use for extended periods.

7. STORAGE AND PORTABILITY

The BABY JOY Pack and Play is designed for easy folding and transport:

1. Folding the Playard:

- Remove the mattress pad, bassinet, changing table, and any accessories.
- Pull the red tab located at the center of the bottom base upwards until the base begins to fold.
- While holding the center tab, pull up on the side rails (you will hear a 'snap' as they unlock) and fold them inwards.
- Continue folding the playard until it is compact.

8. TROUBLESHOOTING

If you encounter any issues, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Playard sides do not lock into place during setup.	Center base is not fully pulled up, or sides are not pulled up firmly enough.	Ensure the center base is pulled up completely before attempting to lock the side rails. Pull each side rail firmly until it clicks into place.
Playard does not fold easily.	Side rails are still locked, or the center tab is not pulled sufficiently.	Ensure all side rails are unlocked by pulling them slightly upwards before pulling the center tab. Pull the center tab firmly upwards.

Problem	Possible Cause	Solution
Bassinet or changing table feels unstable.	Not properly attached to the playard frame.	Verify that all hooks and clips are securely fastened to the playard rails. Ensure the playard itself is fully set up and locked.
