SETUP

Follow these steps to set up your Honor Choice Bluetooth Earbuds for the first time.

Charging the Earbuds and Case

Before first use, ensure both the earbuds and the charging case are fully charged. Connect the charging case to a power source using a compatible USB-C cable (not included). The indicator light on the case will show charging status. Once fully charged, the light will indicate completion.

Initial Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
3. Search for available devices and select "Honor Choice Earbuds" (or similar name).
4. Once connected, you will hear an audio prompt, and the earbuds will be ready for use.

Note: The initial pairing requires manual selection on your device. Subsequent connections will be automatic once the case is opened and Bluetooth is enabled on your device.

Call Management

The dual-microphone system with noise reduction ensures clear communication during calls. Use the touch controls as described above to manage incoming and outgoing calls.

Voice Control

These earbuds support voice control. Activate your device's voice assistant by using the designated touch control (refer to your device's specific settings if needed, as this may vary).

MAINTENANCE

Proper care and maintenance will extend the lifespan of your Honor Choice Bluetooth Earbuds.

Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove any earwax or debris from the ear tips and speaker mesh using a small, soft brush or cotton swab.
- Do not use abrasive cleaners, alcohol, or chemical solvents.

Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store the case in a cool, dry place away from extreme temperatures.

Figure 5: The earbuds are IP54 certified, offering resistance to light splashes and dust, making them suitable for various activities. The Honor Choice Earbuds are IP54 rated, meaning they are protected against dust ingress and splashing water from any direction. This makes them suitable for workouts and light rain. However, they are not designed for submersion in water. Avoid exposing them to high-pressure water jets or prolonged immersion.

TROUBLESHOOTING

If you encounter any issues with your earbuds, refer to the following common solutions.

Pairing Issues

- **Earbuds not connecting:** Ensure Bluetooth is enabled on your device and the earbuds are charged. Place them back in the case, close it, then open it again to re-enter pairing mode.
- **Only one earbud connecting:** Try resetting the earbuds. Place both earbuds in the charging case, then follow the pairing instructions again.

- **Cannot find earbuds in Bluetooth list:** Turn off Bluetooth on your device, wait a few seconds, then turn it back on. Restart your device if necessary.

Sound Issues

- **No sound or low volume:** Check the volume level on both your device and the earbuds. Ensure the earbuds are properly seated in your ears.
- **Distorted sound:** Move closer to your connected device to avoid interference. Check for any physical obstructions or debris in the earbud's speaker mesh.

Charging Issues

- **Earbuds not charging in case:** Ensure the charging contacts on the earbuds and inside the case are clean and dry.
- **Case not charging:** Verify the USB-C cable and power adapter are working correctly. Try a different cable or power source.
