## Furgle A000014

# Furgle Electric Massage Recliner Chair User Manual

Model: A000014

Brand: Furgle

## INTRODUCTION

---

Welcome to your new Furgle Electric Massage Recliner Chair. This manual provides important information for the safe and efficient operation of your massage chair. Please read it thoroughly before use and keep it for future reference.

## IMPORTANT SAFETY INSTRUCTIONS

---

When using an electrical appliance, basic precautions should always be followed, including the following:

- Read all instructions before using this massage chair.
- Do not use outdoors.
- Do not allow children to operate the chair without supervision.
- Unplug from outlet when not in use and before cleaning.
- Do not operate if the cord or plug is damaged.
- Keep away from water and heat sources.
- Do not stand on or in the chair.
- Consult a physician before use if you have medical conditions.

## PACKAGE CONTENTS

---

Your Furgle Electric Massage Recliner Chair package should include:

- 1 x Furgle Electric Massage Recliner Chair
- 1 x Remote Control
- 1 x Power Adapter

- 1 x User Manual (this document)

## SETUP

---

The Furgle Electric Massage Recliner Chair requires minimal assembly.

1. Unpack all components from the packaging.
2. Place the chair on a flat, stable surface.
3. Connect the power adapter to the chair's power input port, then plug it into a suitable electrical outlet.
4. Ensure the remote control is connected to its designated port on the chair.

## PRODUCT FEATURES

---

### Vibration Massage

The chair is equipped with 2 high-frequency vibration motors in the seat and 8 heating rollers. Massage balls support deep kneading, tapping, and spot massage for the neck, back, waist, thighs, and hips with varying intensities. This helps relieve tension, cramps, or muscle blockages.

## **Integrated Heating Function**

The TV chair features a heating function to soothe tired muscles and improve blood circulation. All massage and heating functions can be conveniently controlled with the remote. The remote can be stored in the side pocket.

# 104-113°F Heating Function

Stimulate the Circulation of Blood

## Adjustable Footrest

The chair's footrest electrically folds and unfolds for effortless adjustment. An extra-long footrest accommodates individuals up to 190 cm (6'2") for full leg extension. Elevating the feet to heart level promotes maximum well-being and optimal blood circulation.

## Ergonomic Design

Features a curved birch wood base supporting up to 200 kg (440 lbs). Offers circulating or firm massage for the entire back, upper back, or lower back. The neck massage is adjustable within 3-5 cm, providing 3D shoulder and neck massage to reduce stiffness. The 102-degree recline distributes pressure effectively.

## Attentive Every Details

## OPERATING INSTRUCTIONS

---

### Using the Remote Control

The remote control allows you to manage all massage and heating functions.

- **Power Button:** Press to turn the chair on or off.
- **Massage Modes:** Select from various massage modes (e.g., kneading, tapping, vibration) using the dedicated buttons.
- **Intensity Adjustment:** Adjust the intensity of the massage using the '+' and '-' buttons.
- **Heating Function:** Activate or deactivate the heating function.
- **Area Selection:** Choose specific massage areas (neck, back, waist, thighs, hips).
- **Recline/Footrest:** Use the recline buttons to adjust the backrest and footrest position.

### Adjusting the Recline and Footrest

Use the recline controls on the remote to smoothly adjust the backrest and extend or retract the footrest to your desired position. The chair offers a 102-degree recline for optimal pressure distribution.

# MAINTENANCE

---

## Cleaning

- Always unplug the chair before cleaning.
- Wipe the fabric with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- For the wooden frame, wipe with a dry or slightly damp cloth.
- Do not immerse the chair or any electrical components in water.

## Storage

Store the chair in a cool, dry place away from direct sunlight and moisture when not in use for extended periods.

# TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Chair does not power on	Not plugged in; power outlet issue; power cord damage	Ensure power cord is securely plugged into a working outlet. Check for damage to the cord.
Massage function not working	Remote control not connected; specific mode not selected	Ensure remote is properly connected. Select a massage mode using the remote.
Heating function not working	Heating function not activated	Activate the heating function via the remote control.
