SETUP

1. Charging the Earbuds and Case

Before first use, ensure the charging case and earbuds are fully charged. Connect the provided USB-C cable to the charging port on the case and to a power source. The LED indicators on the case will show the charging status. Ensure the protective film on the earbud charging points is removed before placing them in the case.

2. One-Step Pairing

The Tribit FlyBuds NC earbuds feature one-step pairing for convenience.

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your smartphone or Bluetooth-enabled device, go to Bluetooth settings.
3. Select "Tribit FlyBuds NC" from the list of available devices to connect.
4. Once connected, you will hear an audible confirmation.

OPERATING INSTRUCTIONS

Smart Touch Controls

The earbuds are equipped with smart touch controls for easy management of music and calls.

- **Play/Pause:** Single tap on either earbud.
- **Answer/End Call:** Single tap on either earbud.

- **Reject Call:** Press and hold either earbud for 2 seconds.
- **Next Track:** Double tap the right earbud.
- **Previous Track:** Double tap the left earbud.
- **Volume Up:** Triple tap the right earbud.
- **Volume Down:** Triple tap the left earbud.
- **Activate Voice Assistant:** Press and hold the right earbud for 2 seconds.

Smart Touch Control

With just a finger touch you can use them to activate the ANC play / pause music, receive / end calls

Active Noise Cancellation (ANC) & Transparent Mode

Switch between different listening modes to suit your environment.

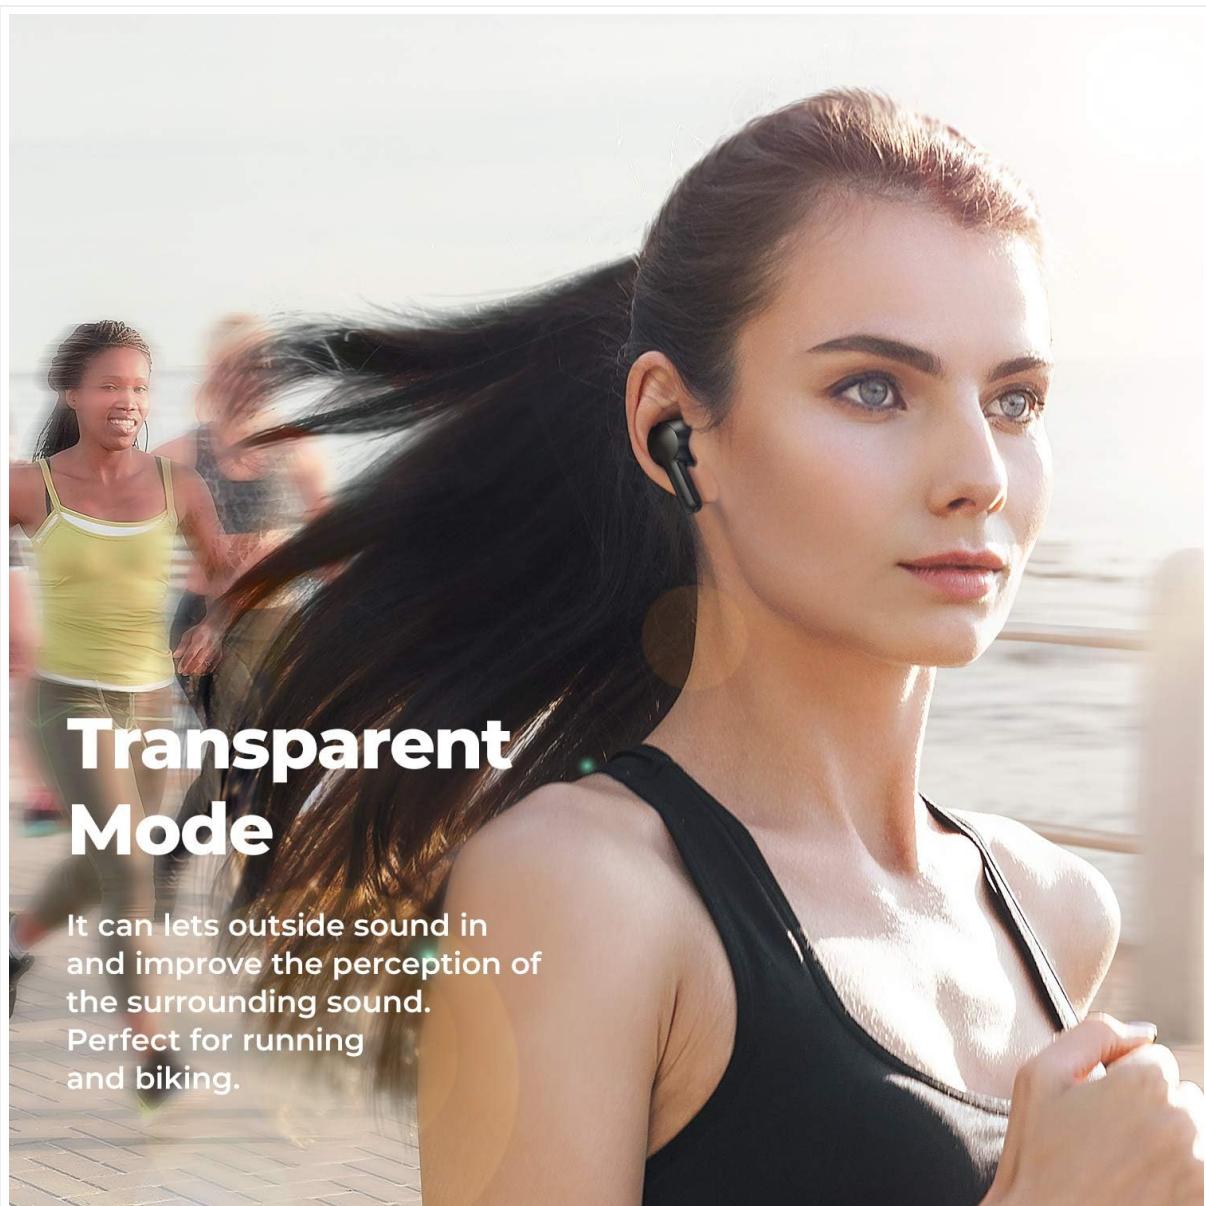

- **Switch Modes:** Press and hold the left earbud for 2 seconds to cycle through ANC On, Transparent Mode, and ANC Off.
- **Active Noise Cancellation:** Reduces ambient noise by up to 30dB, ideal for focused listening in noisy environments.
- **Transparent Mode:** Amplifies surrounding sounds, allowing you to stay aware of your environment without removing the earbuds.

Active Noise Cancellation

Reducing noise up to **30dB**, Tribit FlyBuds NC blocks out 85% noise in the cafe, library, city traffic, busy office or airplane cabin etc. Just immerse you in rich, high-quality sound.

MAINTENANCE

To ensure the longevity and optimal performance of your Tribit FlyBuds NC earbuds, follow these maintenance guidelines:

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove ear tips and clean them with mild soap and water if necessary, ensuring they are completely dry before reattaching.
- Avoid exposing the earbuds to extreme temperatures, humidity, or liquids. While they are waterproof, prolonged exposure is not recommended.
- Store the earbuds in their charging case when not in use to protect them and keep them charged.

TROUBLESHOOTING

Issue	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget the device and re-pair.
No sound from one earbud	Ensure both earbuds are charged. Place both earbuds back in the case, close, and reopen. Re-pair if necessary.

Issue	Possible Solution
Charging issues	Check USB-C cable and power source. Ensure charging contacts on earbuds and case are clean and free of debris. Remove any protective films.
ANC not working effectively	Ensure ear tips provide a good seal. Cycle through ANC modes (ANC On, Transparent, ANC Off) by pressing and holding the left earbud.
