2. INSTALLATION GUIDE

Follow these steps to properly install your Spigen Rugged Armor case onto your Samsung Galaxy Tab S6 Lite:

1. **Clean your device:** Ensure your Samsung Galaxy Tab S6 Lite is clean and free of dust or debris before installation.
2. **Align the tablet:** Gently align your tablet with the case, starting with one side.
3. **Press into place:** Apply gentle pressure around the edges of the tablet until it securely snaps into the case. The flexible Thermoplastic Polyurethane (TPU) material allows for easy application.
4. **Check fit:** Verify that all corners and edges of the tablet are fully enclosed by the case and that all ports and buttons are accessible.

4. CARE AND MAINTENANCE

To keep your Spigen Rugged Armor case in optimal condition, follow these simple cleaning guidelines:

- **Regular Cleaning:** Wipe the case regularly with a soft, damp cloth to remove dust and fingerprints.
- **Stubborn Stains:** For more stubborn stains, use a mild soap solution and a soft cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the case material.
- **Drying:** Allow the case to air dry completely before reattaching it to your tablet.

5. TROUBLESHOOTING

Most issues with a protective case are related to installation or compatibility. If you encounter any problems, please review the following:

- **Improper Fit:** Ensure your tablet model is indeed the Samsung Galaxy Tab S6 Lite (10.4 inch, 2024/2022/2020). Re-install the case, ensuring all edges are properly seated.
- **S Pen Access:** If the S Pen is difficult to remove or insert, check for any obstructions in the slot or ensure the tablet is correctly aligned within the case.
- **Button Responsiveness:** If buttons feel stiff or unresponsive, gently press around the button areas

on the case to ensure proper alignment with the tablet's buttons.

If issues persist, please contact Spigen customer support for further assistance.
