Storkcraft Portofino All-in-One Convertible Crib & Changer Instruction Manual

Model: 04586-47F | Color: Pebble Gray

1. Introduction

Thank you for choosing the Storkcraft Portofino All-in-One Convertible Crib & Changer. This versatile furniture piece is designed to adapt to your child's growth, converting from a crib to a toddler bed, daybed, and full-size bed. It features an attached changing table with integrated storage, providing convenience and functionality for your nursery. This product is GREENGUARD Gold Certified and JPMA Certified, ensuring it meets stringent safety and air quality standards.

2. Important Safety Information

Please read all instructions carefully before assembly and use of this product. Failure to follow these warnings and instructions could result in serious injury or death.

- Always keep all small parts, including hardware, away from children during assembly.
- Regularly inspect the crib and changer for damaged hardware, loose joints, missing parts, or sharp edges. Do not use if any parts are missing or broken. Contact Storkcraft Customer Care for replacement parts. Do not substitute parts.
- This crib is intended for use with a standard full-size crib mattress (sold separately). Ensure the mattress fits snugly without gaps.
- The adjustable mattress support base has 4 different height options. Always use the lowest position once your child can sit up unaided.

- This crib may only be used until your child can easily climb out or is taller than 35 inches (89 cm).
- The changing table has a maximum weight recommendation of 50 pounds. Never leave a child unattended on the changing table. Always use the safety strap provided.
- GREENGUARD Gold Certified products are screened for more than 10,000 chemicals and VOCs known to pollute indoor air.
- JPMA Certified: Expert tested by third-party, accredited laboratories to meet or exceed all applicable category voluntary and mandatory safety standards.

3. Assembly Instructions (Setup)

Assembly is required for this product. We recommend two adults for assembly. Clear a spacious area for assembly and ensure all parts are present before beginning.

Included Components:

- All necessary parts for the crib and changer
- Hardware pack
- Assembly Instructions manual
- Water-resistant changing pad with safety strap

General Assembly Steps:

1. Unpack all components and verify against the parts list in your included manual.
2. Begin by assembling the changing table section, including the drawers and shelves.
3. Attach the crib side panels to the end panels.
4. Secure the mattress support base at the desired height.
5. Connect the assembled changing table to the crib structure.
6. Ensure all bolts and screws are securely tightened. Do not overtighten.

4. Operating Instructions

Crib Mode

The Storkcraft Portofino functions as a secure sleeping environment for your infant. Ensure a standard full-size crib mattress (sold separately) is placed on the adjustable mattress support base.

Adjusting Mattress Height

The mattress support base offers 4 adjustable height options. To adjust, remove the mattress and carefully lower or raise the support base to the desired position, securing it with the appropriate hardware. Always use the lowest position once your child can sit up unaided to prevent climbing out.

Changer Functionality

The attached changing table includes a waterproof changing pad and safety strap. Utilize the three enclosed storage drawers and two open shelves for convenient access to diapers, wipes, and other essentials.

Refer to the specific conversion instructions included with your product for detailed steps.

5. Maintenance and Care

Cleaning

To clean the crib and changer, wipe surfaces with a damp cloth. Avoid using abrasive cleaners or strong chemicals, as these can damage the finish.

Regular Inspection

Periodically check all screws, bolts, and other hardware to ensure they are tight and secure. Loose hardware can compromise the safety and stability of the product. Do not overtighten.

Storage

If storing conversion parts for future use, keep them in a dry, safe place, clearly labeled, to prevent loss or damage.

6. Troubleshooting

If you encounter any issues with your Storkcraft Portofino Crib & Changer, please refer to the following common troubleshooting tips:

- **Loose Parts:** If any part feels wobbly or loose, re-tighten all associated hardware. Avoid overtightening to prevent stripping screws or damaging wood.
- **Squeaking:** Squeaking can often be resolved by ensuring all bolts are properly tightened. If squeaking persists, disassemble and reassemble the affected section, ensuring all components are correctly aligned.
- **Difficulty with Conversions:** Ensure you have all the correct conversion kits and guardrails (sold separately) for the desired configuration. Follow the specific conversion instructions provided with your product carefully.
- **Missing or Damaged Parts:** Do not attempt to use the product with missing or damaged parts. Contact Storkcraft Customer Care immediately for assistance and replacement parts.
