DailyU Hard Protective Travel Case for Techvilla Non-Contact Forehead Thermometer

User Manual

1. Introduction

This manual provides instructions and information for the DailyU Hard Protective Travel Case, specifically designed for the Techvilla Non-Contact Forehead Thermometer. This case offers robust protection and convenient portability for your device.

2. Key Features

- **Perfect Fit:** Custom-designed to securely hold the Techvilla Non-Contact Forehead Thermometer, preventing movement and damage.
- **Enhanced Protection:** Constructed from hard quality EVA material, providing semi-waterproof, shockproof, and durable protection against impacts and splashes.
- **Lightweight and Compact:** Its small size and light weight allow for easy storage and transport in bags, backpacks, or luggage.
- **Convenient Design:** Features a sturdy hand strap for portability and a smooth, strong 360-degree zipper for reliable opening and closing. An inner mesh pocket provides additional storage for small accessories.

3. Setup and Usage

The DailyU Protective Travel Case is designed for straightforward use. Follow these steps to properly store your Techvilla Non-Contact Forehead Thermometer:

1. **Open the Case:** Unzip the case completely using the 360-degree zipper.
2. **Insert Thermometer:** Carefully place your Techvilla Non-Contact Forehead Thermometer into the main compartment of the case. Ensure it sits snugly within the molded interior to prevent shifting.
3. **Secure Accessories (Optional):** Utilize the internal mesh pocket to store small accessories such as instruction leaflets or spare batteries.
4. **Close the Case:** Zip the case securely to ensure the thermometer is fully protected.
5. **Transport:** Use the integrated hand strap for easy carrying, or place the compact case into a larger bag for travel.

Image 2: An empty DailyU protective case, fully opened, showcasing the soft interior lining, the elastic strap for securing items, and the mesh pocket in the lid.

4. Maintenance and Care

To ensure the longevity and effectiveness of your DailyU Protective Travel Case, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the exterior and interior surfaces with a clean, damp cloth. For stubborn spots, a mild soap solution can be used, followed by wiping with a clean, damp cloth. Allow to air dry completely before closing or storing.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the EVA material and interior lining.
