Signature Design by Ashley Draycoll Power Reclining Sofa Instruction Manual

Model: Draycoll

1. INTRODUCTION

Thank you for choosing the Signature Design by Ashley Draycoll Power Reclining Sofa. This manual provides essential information for the safe and efficient setup, operation, and maintenance of your new furniture. Please read these instructions carefully before use and retain them for future reference.

2. SAFETY GUIDELINES

Your safety is paramount. Please observe the following guidelines:

- All foam and upholstered surfaces meet flammability standards.
- Keep the sofa away from open flames or high heat sources to prevent fire hazards.
- Supervise children and pets to avoid entrapment risks, especially when operating the reclining mechanism.
- Ensure the power cord is not pinched or placed under heavy objects.
- Do not attempt to disassemble or repair the electrical components yourself. Contact qualified service personnel if issues arise.

3. PRODUCT FEATURES

The Draycoll Power Reclining Sofa is designed for comfort and convenience, featuring:

- **Dual-sided recliner:** The two outer seats recline independently. The middle seat remains stationary.
- **One-touch power control:** Easily adjust reclining positions with a simple button press.
- **Zero-draw USB plug-in:** Conveniently charge your devices.
- **Zero-draw technology:** This feature ensures power is only consumed when the USB receptacle is actively in use, conserving energy.
- **Corner-blocked frame:** Provides enhanced durability and structural integrity.
- **Attached cushions:** High-resiliency foam cushions wrapped in thick poly fiber for lasting comfort and shape retention.
- **Polyester upholstery:** Durable and softly textured chenille fabric.

Image 3.3: Overhead view of the sofa, highlighting the three-seat configuration.

4. SETUP AND PLACEMENT

The Draycoll Power Reclining Sofa requires no assembly. Follow these steps for initial setup:

1. **Unpacking:** Carefully remove all packaging materials. Inspect the sofa for any signs of damage.
2. **Placement:** Position the sofa in your desired location. Ensure there is sufficient space behind the sofa for the reclining mechanism to operate fully without obstruction. The minimum required door width for delivery and placement is 88 inches.
3. **Power Connection:** Locate the power cord at the rear of the sofa. Plug the power cord into a standard electrical outlet. The power cord is UL Listed for safety.

5. OPERATING YOUR SOFA

The Draycoll sofa features intuitive power controls for reclining and a convenient USB charging port.

5.1. Power Recline Function

Each outer seat is equipped with a one-touch power control button, typically located on the side of the armrest. Press and hold the button to smoothly recline to your desired position. Release the button to stop the recline. To return to the upright position, press and hold the button in the opposite direction.

Image 5.2: The sofa with one seat fully reclined, showing the maximum recline position.

5.2. USB Charging Port

A USB port is integrated into the power control panel. Connect your compatible electronic devices to charge them while you relax. The zero-draw technology ensures that the USB port only consumes power when a device is actively charging.

6. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your sofa.

6.1. Upholstery Care

The polyester chenille upholstery has a cleaning code of 'W', meaning it is suitable for water-based cleaning agents. For best results:

- **Regular Cleaning:** Vacuum regularly using an upholstery attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild, water-based cleaning solution. Apply the solution to a clean cloth, then gently blot the stained area. Do not rub vigorously. Test any cleaning solution on an inconspicuous area first.
- **Avoid Harsh Chemicals:** Do not use bleach, solvents, or abrasive cleaners, as these can damage the fabric.

6.2. Frame and Mechanism Care

- Wipe the frame and exposed parts with a soft, damp cloth.
- Periodically check all connections and fasteners to ensure they are secure.
- Avoid placing heavy objects on the reclining mechanism or forcing it to move.

7. TROUBLESHOOTING

If you encounter issues with your sofa, refer to the following common solutions:

- **Sofa Not Reclining:**
 - Ensure the power cord is securely plugged into both the sofa and the wall outlet.
 - Check if the wall outlet is functional by plugging in another appliance.
 - Verify that no objects are obstructing the reclining mechanism.
- **USB Port Not Charging:**

- Confirm the sofa is powered on and plugged in.
- Try a different USB cable or device to rule out a faulty accessory.
- **Unusual Noises During Recline:**
 - Ensure the sofa is on a level surface.
 - Check for any loose components or foreign objects caught in the mechanism.

If these steps do not resolve the issue, please contact customer support.

8. PRODUCT SPECIFICATIONS

Image 8.1: Dimensional diagram of the sofa, indicating height, width, and depth.

Specification	Detail
Brand	Signature Design by Ashley
Model	Draycoll
Color	Slate
Product Dimensions (D x W x H)	40"D x 88"W x 40"H
