HOMCOM 833-800BN

HOMCOM C-Shaped Mobile Side Table

Model: 833-800BN

1. INTRODUCTION

Thank you for purchasing the HOMCOM C-Shaped Mobile Side Table. This versatile table is designed to provide convenient surface and storage space next to your sofa, bed, or other furniture. It features an adjustable height mechanism, a unique C-shaped design for easy placement, and three tiers of storage. Please read this manual carefully before assembly and use to ensure proper function and safety.

2. SAFETY INFORMATION

- **Weight Limits:** Do not exceed the weight limit of 44 pounds (20 kg) on the tabletop. Each shelf has a weight limit of 6 pounds (2.7 kg). Exceeding these limits may cause instability or damage.
- **Caster Brakes:** Always engage the locking brakes on the casters when the table is in a stationary position to prevent unintended movement. Disengage brakes only when moving the table.
- **Stability:** Ensure all screws and fasteners are securely tightened after assembly and periodically check for tightness. Do not lean heavily on the table or use it as a step stool.
- **California Proposition 65 Warning:** This product can expose you to chemicals including wood dust, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.
- **Product Care:** Avoid contact with water and harsh chemicals. Clean with a soft, damp cloth.

3. PACKAGE CONTENTS

Please verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, contact customer support for assistance.

The package includes all necessary hardware and components for assembling the C-shaped mobile side table.

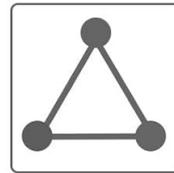

4. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. It is recommended to have an Allen Key and a screwdriver for the assembly process. Follow the step-by-step instructions provided in the included assembly guide (not detailed here) to ensure correct construction. Ensure all connections are firm and stable.

5. OPERATING INSTRUCTIONS

5.1. Adjusting Height

The table features an adjustable height mechanism to suit various furniture heights, such as sofas or beds. To adjust the height, loosen the adjustment knobs on the vertical support poles, raise or lower the tabletop to the desired height, and then securely tighten the knobs to lock it in place. Ensure both sides are adjusted evenly for stability.

5.2. Mobility and Placement

The table is equipped with four smooth-rolling casters, two of which have locking brakes. To move the table, ensure the brakes are disengaged. Once the table is in the desired position, engage the locking brakes to secure it and prevent accidental movement. The unique C-shaped design allows the table to slide under sofas or beds, bringing the tabletop closer to you.

6. MAINTENANCE

- **Cleaning:** Wipe the table surfaces with a soft, slightly damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Hardware Check:** Periodically inspect all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Caster Care:** Keep casters free of debris (hair, dust, etc.) to ensure smooth rolling.

7. TROUBLESHOOTING

- **Table is wobbly:** Check that all assembly screws are securely tightened. Ensure the height adjustment knobs are fully tightened after adjusting the height.
- **Casters not rolling smoothly:** Inspect casters for any trapped debris (e.g., hair, lint) and remove it. Ensure

the locking brakes are fully disengaged.

- **Difficulty adjusting height:** Loosen the adjustment knobs completely before attempting to raise or lower the tabletop. Ensure the poles are clean and free of obstructions.
