MAINTENANCE

Maintaining your Bedsure Orthopedic Dog Bed is simple, ensuring hygiene and longevity:

- **Cover Care:** The zippered cover is machine washable. Remove the foam mattress before washing. Use a gentle cycle with cold water and tumble dry on low heat.
- **Foam Protection:** The durable foam mattress is encased in a waterproof liner, protecting it from spills, water damage, and accidents. If the waterproof liner gets wet, wipe it clean with a damp cloth. Do not machine wash the foam itself.
- **Non-Skid Bottom:** The bed features a non-skid bottom to prevent slipping on smooth surfaces. Regularly check the bottom for any debris that might affect its grip.
