# **FITUEYES Iron Base Universal Floor TV Stand - Instruction Manual**

Model: TT108002MB

For 50-85 Inch LED LCD Plasma Flat or Curved Screen TVs

## **1. INTRODUCTION**

Thank you for choosing the FITUEYES Iron Base Universal Floor TV Stand. This manual provides detailed instructions for safe assembly, proper operation, and essential maintenance to ensure optimal performance and longevity of your TV stand. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

## 2. SAFETY INFORMATION

- **Weight Capacity:** Do not exceed the maximum weight capacity of 110 lbs (50 kg). Ensure your TV's weight is

within this limit.

- **TV Size Compatibility:** This stand is designed for TVs between 50 and 85 inches. Verify your TV's VESA mounting pattern is compatible (100x100mm to 800x400mm).
- **Stable Surface:** Always place the TV stand on a flat, stable, and level surface to prevent tipping.
- **Assembly:** Follow all assembly instructions precisely. Improper assembly can lead to product failure or injury. If you encounter any difficulties, contact customer support.
- **Children and Pets:** Keep children and pets away from the assembly area. Ensure all small parts are out of reach.
- **Cable Management:** Utilize the integrated cable management system to prevent tripping hazards and maintain a tidy appearance.

### 3. PACKAGE CONTENTS

Before assembly, verify that all parts listed in your product's specific parts list (usually found in the packaging) are present and undamaged. Typically, the package includes:

- Main support column
- Heavy-duty iron base
- TV mounting bracket
- Various screws, washers, and spacers for TV attachment
- Assembly tools (e.g., Allen wrench)
- Cable management clips/ties
- Environmental foot pads

Figure 2: Typical components of the FITUEYES TV Stand.

### 4. SETUP AND ASSEMBLY

Follow these steps to assemble your FITUEYES TV stand. It is recommended to have two people for TV mounting.

1. **Attach the Base:** Secure the main support column to the heavy-duty iron base using the provided screws. Ensure all connections are tight and stable.
2. **Assemble the TV Mounting Bracket:** Attach the horizontal arms to the vertical support plate.

3. **Attach Bracket to TV:** Carefully place your TV face down on a soft, clean surface. Attach the vertical mounting arms to the back of your TV using the appropriate VESA screws and spacers. Ensure the arms are securely fastened and aligned with your TV's VESA pattern.
4. **Mount TV to Stand:** With assistance, lift the TV and hook the attached mounting arms onto the horizontal support plate of the stand. Engage the safety lock mechanism to prevent accidental dislodgement.
5. **Adjust Height:** Loosen the height adjustment screws on the main column, raise or lower the TV to your desired viewing height, and then securely tighten the screws.
6. **Cable Management:** Route all cables through the integrated cable management system on the back of the column for a neat and organized setup.

## 8 LEVELS HEIGHT ADJUSTMENT

*Use the most comfortable height to enjoy the audio-visual feast*

## 5. OPERATING INSTRUCTIONS

### 5.1 Height Adjustment

The TV stand offers multiple height settings to optimize your viewing experience. To adjust the height:

1. Ensure the TV is securely mounted.
2. Loosen the height adjustment screws on the main support column.
3. Carefully raise or lower the TV to the desired position.
4. Tighten the height adjustment screws firmly to lock the TV in place.

### 5.2 Swivel Function

The swivel mount allows you to rotate your TV up to 35 degrees left or right, providing flexible viewing angles from different positions in your room.

- Gently push the TV to the left or right to achieve the desired viewing angle.

- The swivel mechanism is designed for smooth movement without requiring loosening any screws.

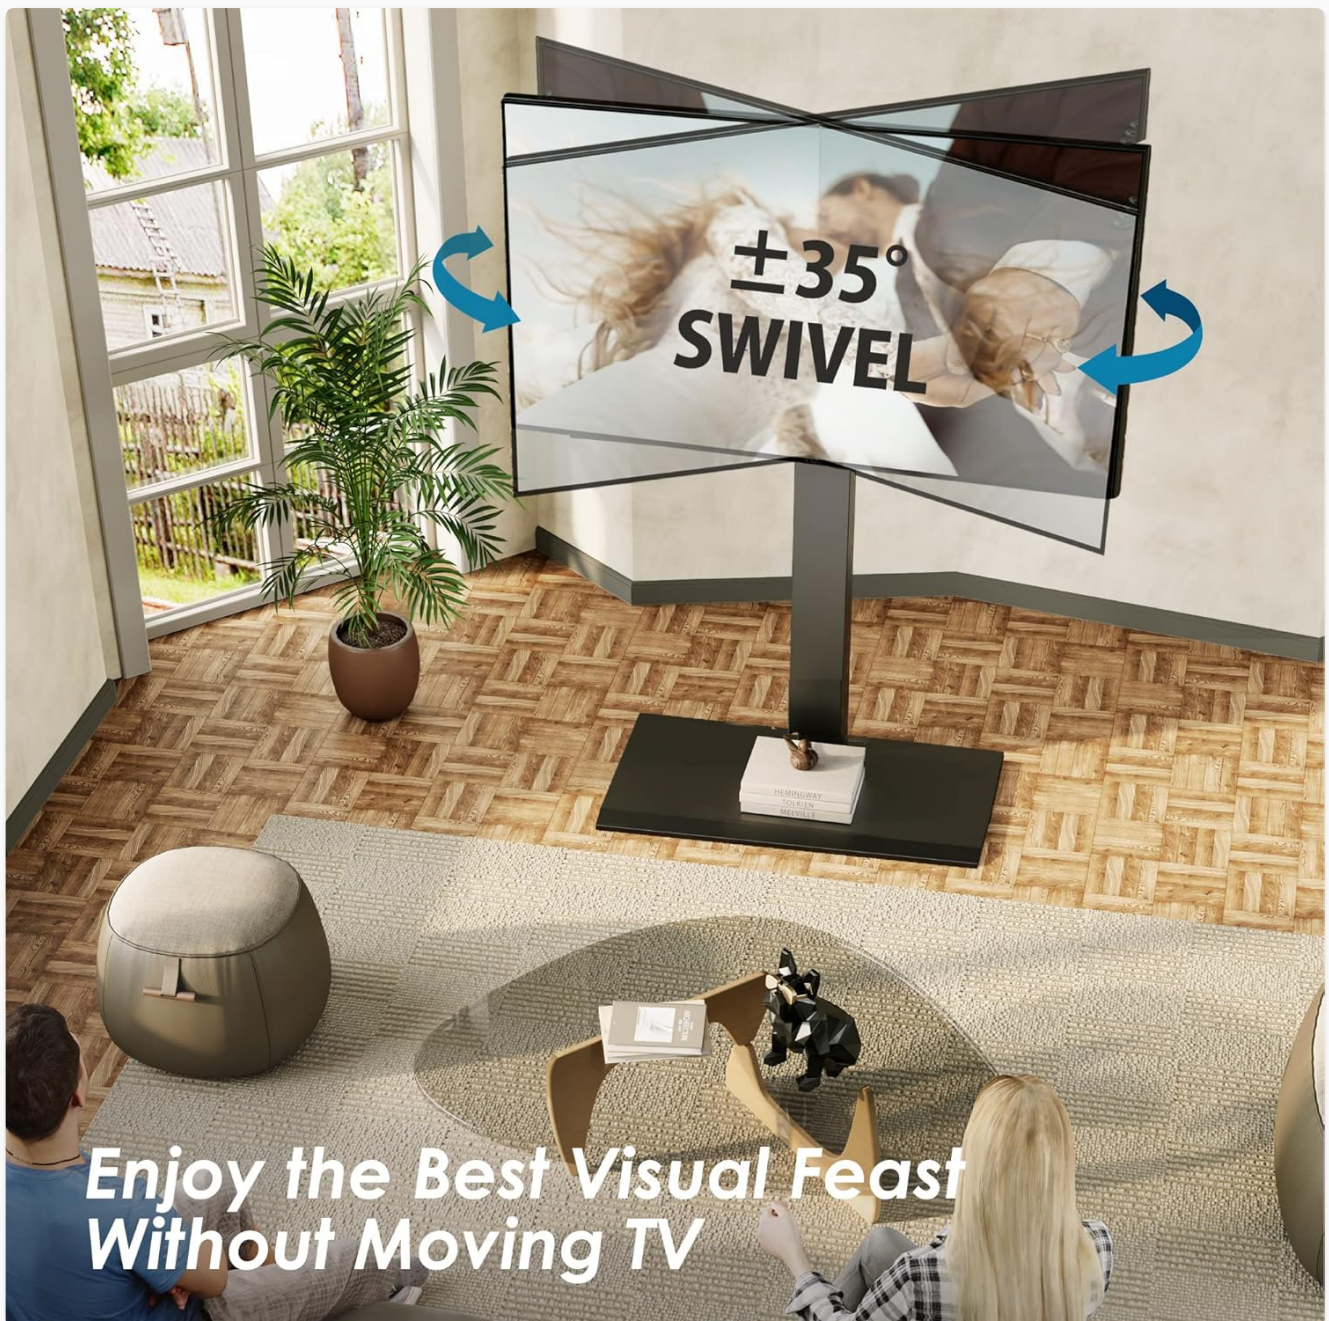

Figure 6: TV stand demonstrating its 35-degree swivel capability.

## 6. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the stand. Avoid abrasive cleaners or solvents that may damage the finish.
- **Regular Checks:** Periodically inspect all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Cable Management:** Ensure cables are properly routed and not pinched or strained.

## 7. TROUBLESHOOTING

- **TV Not Stable:** Ensure all assembly screws are tightened. Verify the TV's weight and VESA pattern are within the stand's specifications. Ensure the stand is on a level surface.

- **Difficulty Adjusting Height:** Loosen the height adjustment screws sufficiently before attempting to move the TV. Do not force the adjustment.
- **Swivel Not Smooth:** Check for any obstructions around the base or mounting plate. Ensure the TV is not excessively heavy for the stand.
- **Missing Parts:** If any parts are missing or damaged upon arrival, contact FITUEYES customer support immediately for assistance.

## 8. SPECIFICATIONS

Feature	Specification
Brand	FITUEYES
