Nuby Vibe-EEZ Vibrating Teether (Octopus Model) Instruction Manual

Model: 92762CS24

INTRODUCTION

The Nuby Vibe-EEZ Vibrating Teether is designed to provide soothing relief for your baby's tender gums during teething. Its unique vibrating action helps increase circulation, reducing discomfort and swelling. Featuring a playful octopus design, this teether combines engaging visuals with multiple textured surfaces for sensory exploration and effective gum massage.

IMPORTANT SAFETY INFORMATION

- Always supervise your child during use.
- Inspect the teether before each use. Discard if any signs of damage or wear are present.
- This product is intended for children ages three months and older.
- Requires one AAA non-mercury alkaline battery (not included).
- **DO NOT IMMERSE IN WATER.**
- All Nuby baby feeding essentials are developed, researched, and manufactured to exceed all government safety regulations and standards.

SETUP: BATTERY INSTALLATION

The Nuby Vibe-EEZ teether requires one AAA non-mercury alkaline battery for its vibrating function. Follow these steps to install or replace the battery:

1. Locate the battery compartment on the back of the teether.
2. Using a small screwdriver, carefully open the battery compartment cover.
3. Insert one AAA non-mercury alkaline battery, ensuring correct polarity (+/-).
4. Securely close the battery compartment cover with the screwdriver.

Sensory

Each teether has both hard and soft teething surfaces, giving your child more to explore as they develop their sense of touch

OPERATING INSTRUCTIONS

The Vibe-EEZ teether is designed for easy activation and use by your baby:

- **Activation:** The teether gently vibrates when pressure is applied to the textured top surface (the octopus's hat). Your baby can activate this by biting or pressing on this area.
- **Textured Surfaces:** The soft silicone loops feature massaging Nub-eez (small bumps) and varied textures that stimulate gums and provide different sensations for teething relief.
- **Easy Grip:** The teether's colorful shapes and attached loops are sized for little hands, making it easy for your baby to hold and manipulate.

CARE AND MAINTENANCE

Proper care ensures the longevity and hygiene of your teether:

- Clean before first use and after each subsequent use.
- Wipe clean with a damp cloth and mild soap.
- Air dry thoroughly.
- **DO NOT IMMERSE IN WATER** to protect the battery compartment and electronic components.

TROUBLESHOOTING

If the teether stops vibrating:

- Check the battery. The vibrating function requires one AAA battery. Replace the battery if it is depleted. Refer to the 'Setup: Battery Installation' section for instructions.
- Ensure the battery compartment is securely closed.
