Model: 113-094

Setup Operating Maintenance Troubleshooting Specifications Warranty & Support

## 1. Setup and Assembly

This section provides detailed instructions for assembling your Bestier L-Shaped Gaming Desk. It is recommended to have two people for assembly to ensure stability and ease of construction. Please ensure all parts are present before beginning.

### 1.1 Unpacking and Part Identification

Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Refer to the included parts list to identify each piece.

8. **Step 8: Connect RGB Strip Light.** Attach the RGB LED strip light to the underside of the monitor stand. Connect the USB cable to a power source.

## 1.3 Desk Configuration Options

The L-shaped desk can be configured in multiple ways to suit your space and needs:

- **L-Shape Configuration:** Standard corner setup for maximizing space.
- **Long Desk Configuration:** The two main desk sections can be arranged side-by-side to form a long, straight desk.
- **Two Separate Desks:** The desk can be split into two independent workstations.

## 2. Operating Features

### 2.1 RGB LED Strip Light

The integrated RGB LED strip light offers customizable lighting to enhance your environment. It features:

- 7 main color options.
- 20 dynamic modes for various lighting effects.

Control the light settings using the inline controller on the USB cable. Plug the USB connector into any standard USB power adapter or port.

### 2.2 Removable Monitor Stand

The elevated monitor stand provides an ergonomic viewing height for your display. It is designed to accommodate wider computer monitors and can be removed if not needed.

### 2.3 Multi-Function Hooks and Cup Holder

Utilize the removable cup holder to keep beverages secure and the headset hook to store your headphones, helping to maintain a tidy and organized desktop.

### 2.4 Anti-Case Tilt Design

The V-shaped groove design on the desk surface helps prevent your computer tower or other items from sliding or tilting, providing added stability.

## 3. Maintenance

Proper care and maintenance will extend the life and appearance of your desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the desk surface.
- **Hardware:** Periodically check all screws and connections to ensure they remain tight. Retighten as necessary.
- **Heat Protection:** Use coasters or protective pads under hot items to prevent heat damage to the desktop.

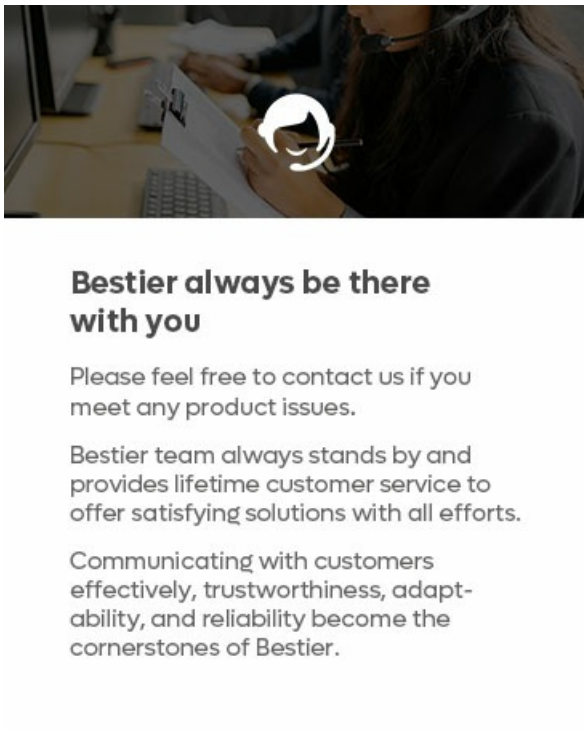

*Image 3.1: The desk is constructed from CARB P2 grade particle board, offering heat-resistant, waterproof, and anti-scratching properties.*

## 4. Troubleshooting

If you encounter any issues with your Bestier L-Shaped Gaming Desk, please refer to the following common solutions:

- **Desk Wobbles:** Ensure all screws are securely tightened. Check that the desk is placed on a level surface. Adjust the leveling feet if present.
- **RGB Light Not Working:** Verify that the USB cable is properly connected to a functioning power source. Check the inline controller for any loose connections or damage.
- **Missing Parts:** If any parts are missing upon unpacking, please contact Bestier customer support immediately for assistance.
- **Difficulty Assembling:** Review the assembly instructions carefully. Ensure you are using the correct screws for each step. Do not force parts together. If issues persist, contact customer support.
