PawHut D02-040BK

PawHut Dog Crate Furniture Instruction Manual

Model: D02-040BK

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- This dog crate furniture is designed for **medium and small dogs up to 44 lbs in weight and 25.5 inches in length**. Do not use for larger or heavier animals.
- Ensure all parts are securely fastened before allowing your pet to use the crate. Regularly check for loose screws or damaged components.
- Do not allow children to climb on or play inside the crate.
- Place the crate on a flat, stable surface.
- This product is intended for indoor use only.
- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

2. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly.

- 1 x Dog Crate Furniture Unit
- 1 x Assembly Manual (this document)
- All necessary hardware (screws, bolts, etc.)

3. SETUP AND ASSEMBLY

Assembly is required for this product. While the process is straightforward, some users have noted that the instructions can be challenging due to a lack of pre-drilled holes for certain components. Patience and careful alignment are recommended.

Figure 3.4: Detailed dimensions of the dog crate furniture: Overall Dimensions: 23" L x 32" W x 26" H. Front Door Size: 17.75" W x 20.75" H. Side Door Size (Single Door Size): 13.75" W x 20.75" H.

3.3 Assembly Steps (General Guidance)

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the provided diagrams in the included manual.
3. Follow the step-by-step illustrations in the manual to connect the panels. Pay close attention to the orientation of each piece.
4. Attach the metal wire panels to the wooden frame.
5. Install the front and side doors, ensuring hinges are properly aligned and latches function smoothly.
6. Secure all screws and fasteners. Do not overtighten to avoid damaging the wood.
7. Attach the anti-slip foot pads to the bottom corners of the crate to protect your floors.

Video 3.5: Official PawHut video demonstrating the features and assembly of the dog crate furniture. This video provides a visual guide to the product's functionality and design.

4. OPERATING INSTRUCTIONS

This versatile unit serves as both a comfortable dog kennel and a functional end table.

4.1 Using as a Dog Crate

- **Entry and Exit:** The crate features two opening sides – a front double door and a single side door. This allows for flexible

placement and easy access for your pet.

- **Locking Mechanism:** Each door is equipped with a secure latch to keep your pet safely contained. Ensure the latches are fully engaged when the door is closed.
- **Comfort:** Place a suitable dog bed or soft blanket inside the crate to provide a comfortable resting area for your pet.

EASY IN & OUT

Latches for Safety

Side Door

Front Door

Figure 4.1: The crate features both front and side door access for convenience.

Figure 4.2: Detail of the secure latch mechanism on the crate door.

4.2 Using as an End Table

- The flat top surface of the crate can be used as a functional end table.
- Place items such as lamps, books, remote controls, or decorative items on the tabletop.
- Avoid placing excessively heavy items (weight capacity: 66 lbs) or hot items directly on the surface to prevent damage.

5. MAINTENANCE

Regular maintenance will help prolong the life of your PawHut Dog Crate Furniture.

- **Cleaning:** Wipe down the wooden surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish. For the metal bars, a mild soap and water solution can be used. Ensure all surfaces are dried thoroughly after cleaning.
- **Inspection:** Periodically check all screws, bolts, and latches to ensure they are tight and secure. Tighten any loose fasteners as needed.
- **Damage:** If any part of the crate becomes damaged, discontinue use immediately and contact customer support for replacement parts or advice.

6. TROUBLESHOOTING

Here are solutions to common issues you might encounter.

- **Difficulty with Assembly:** If you find the assembly instructions unclear or struggle with aligning parts due to a lack of pre-drilled holes, refer to the assembly video (Section 3.4) for visual guidance. It may be helpful to have a second person assist with holding pieces during assembly.
- **Doors Not Latching Securely:** Ensure the crate is on a level surface. Check that the hinges are properly installed and not bent. Adjust the latch mechanism if necessary to ensure it fully engages with the receiving plate.
- **Crate Appears Unstable/Wobbly:** Double-check that all screws and fasteners are tightened. Ensure the crate is placed on a completely flat and stable floor. The anti-slip foot pads should help stabilize the unit.
- **Pet Chewing on Wood:** This crate is made of engineered wood. If your pet is prone to chewing, consider applying a pet-safe bitter spray to the wooden parts or providing alternative chew toys to redirect their attention.

7. SPECIFICATIONS

Attribute	Detail
Brand	PawHut
Model Name	Dog Crate Furniture
Item Model Number	D02-040BK
Color	Black
Material	Engineered Wood, Metal
