Vitamix 067891

Vitamix 48-Ounce Stainless-Steel Blender Container Instruction Manual

Model: 067891 | Brand: Vitamix

PRODUCT OVERVIEW

The Vitamix 48-Ounce Stainless-Steel Blender Container is designed for preparing small to medium batches of various recipes, including smoothies, soups, and frozen desserts. Its compact design allows for easy storage under overhead cabinets. This container features SELF-DETECT technology, enabling compatible Vitamix machines to automatically adjust blend settings for optimal results. Constructed from odor- and stain-resistant stainless steel, it is non-reactive, making it suitable for blending hot, cold, and acidic ingredients. The container and its BPA-free clear lid are dishwasher-safe for convenient cleaning. Laser-cut stainless-steel blades ensure consistent performance, and the included low-profile tamper assists in processing thick mixtures.

Key Features:

- **48-Ounce Capacity:** Ideal for small to medium batches, minimizing food waste.
- **SELF-DETECT Technology:** Automatically recognized by Ascent and Venturist Series blenders for optimized settings.
- **Durable Stainless Steel:** Odor- and stain-resistant, non-reactive for hot, cold, and acidic ingredients.
- **Laser-Cut Blades:** Ensures consistent results and long-lasting performance.
- **BPA-Free Clear Lid:** Allows monitoring of blending progress and adding ingredients.
- **Low-Profile Tamper:** Aids in processing thick or frozen mixtures.
- **Easy to Clean:** Container and lid are dishwasher-safe and support self-cleaning programs.

SETUP AND INSTALLATION

Before first use, ensure all packaging materials are removed. Wash the container, lid, and tamper with warm, soapy water, then rinse thoroughly. Place the container securely onto the Vitamix motor base. For Ascent and Venturist Series machines, the SELF-DETECT technology will automatically recognize the container size.

Odor + Stain Resistant

Leave past blends in the past

Video 1: A detailed look at the Vitamix Stainless Steel Container, highlighting its features and benefits for blending various ingredients.

OPERATING INSTRUCTIONS

To operate, add your desired ingredients to the container. Secure the clear lid firmly in place, ensuring the lid plug is inserted. Place the container on the motor base. Select your desired speed or program. For thick mixtures, use the low-profile tamper through the lid plug opening to push ingredients towards the blades, ensuring continuous circulation without contacting the blades.

Non-Reactive

Blend hot*, cold,
acidic, and more.

*Please use oven mitts for hot blends.

CLEANING AND MAINTENANCE

The Vitamix 48-Ounce Stainless-Steel Blender Container and its BPA-free lid are designed for easy cleaning. They are dishwasher-safe. Alternatively, you can utilize your Vitamix blender's self-cleaning program, if available. For manual self-cleaning, add a drop of dish soap and warm water to the container, then blend for 30-60 seconds. Rinse thoroughly after cleaning.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Vitamix
Model Number	067891
Capacity	48 Fluid Ounces
Container Material	Stainless steel
Blade Material	Stainless Steel
Product Dimensions	6.5"D x 6.5"W x 10"H
Item Weight	2.5 pounds
Included Components	Container with lid and lid plug, Low-Profile Tamper

Special Feature	Blends, SELF-DETECT Technology
-----------------	--------------------------------

TROUBLESHOOTING

- **Blender not starting:** Ensure the container is properly seated on the motor base and the lid is securely fastened. For SELF-DETECT models, confirm the container is recognized.
- **Ingredients not blending smoothly:** Increase the speed gradually. Use the tamper to push ingredients towards the blades. Add more liquid if the mixture is too thick.
- **Lid leaking:** Ensure the lid is firmly pressed down and snapped into place on all sides. Check that the lid plug is inserted correctly.
- **Container appears cloudy or scratched:** Avoid using abrasive sponges or harsh chemicals for cleaning. Follow recommended cleaning procedures.

WARRANTY AND SUPPORT

The Vitamix 48-Ounce Stainless-Steel Blender Container comes with a 3-year full warranty, which covers parts, labor, and return shipping both ways. For further support, product registration, or to explore other Vitamix products, please visit the [Vitamix Store](#).
