2. Safety Information

Always follow basic safety precautions to reduce the risk of fire, electric shock, and personal injury.

- **Do not immerse in water:** Although IP44 rated, the device is splash-proof, not submersible.
- **Proper grounding:** Ensure the outlet used is properly grounded.

- **Load capacity:** Do not exceed the maximum load of 3680W (16A).
- **Children and pets:** Keep out of reach of children and pets.
- **Operating temperature:** Use within specified temperature ranges.
- **Maintenance:** Do not attempt to disassemble or repair the device yourself. Contact qualified personnel.

3. Package Contents

Verify that all items are present in your package:

- DEWENWILS Outdoor WiFi Smart Plug (2 units)
- Instruction Manual

4. Product Features

The DEWENWILS Outdoor WiFi Smart Plug offers a range of features designed for convenience and efficiency:

- **Voice Control:** Compatible with Amazon Alexa and Google Home for hands-free operation.
- **Timer Function:** Schedule devices to turn on/off automatically.
- **Easy Installation:** Simple setup with the Smart-Life app; no hub required.
- **IP44 Waterproof:** Designed for outdoor use, resistant to splashes and dust.
- **Remote Control:** Control your devices from anywhere via the app.

5. Setup and Installation

Follow these steps to set up your DEWENWILS Outdoor WiFi Smart Plug:

1. **Download the App:** Search for "Smart-Life" in your smartphone's app store (iOS or Android) and download the

application.

2. **Register/Log In:** Open the Smart-Life app and register a new account or log in if you already have one.
3. **Connect to 2.4 GHz WiFi:** Ensure your smartphone is connected to a 2.4 GHz WiFi network. The smart plug does not support 5 GHz WiFi.
4. **Add Device:**
    - Plug the smart plug into an outdoor power outlet.
    - Open the Smart-Life app, tap the "+" icon in the top right corner to add a device.
    - Select "Electrical Outlet" or "Socket (Wi-Fi)".
    - Follow the on-screen instructions to put the device into pairing mode (usually by pressing and holding the power button on the plug until the indicator light blinks rapidly).
    - Confirm the indicator light is blinking rapidly in the app.
    - Enter your 2.4 GHz WiFi network password.
    - Wait for the app to connect to the device. Once connected, you can rename the plug.
5. **No Hub Required:** This smart plug connects directly to your WiFi network, eliminating the need for an additional hub.

6. Operating Instructions

6.1. Manual Control

You can manually turn the smart plug on or off by pressing the physical button on the device. The indicator light will show its status.

6.2. App Control

Control your devices from anywhere using the Smart-Life app:

- Open the Smart-Life app.
- Select the smart plug you wish to control.
- Tap the power icon to turn the connected device on or off.
- You can also access advanced settings like timers and schedules within the app.

a home layout.

6.3. Voice Control (Alexa & Google Home)

Integrate your smart plug with voice assistants for convenient control:

1. **Link Smart-Life Account:**
    - For Alexa: Open the Alexa app, go to "Skills & Games", search for "Smart Life", enable the skill, and link your Smart-Life account.
    - For Google Home: Open the Google Home app, go to "Set up device" > "Works with Google", search for "Smart Life", and link your account.
2. **Discover Devices:** Once linked, ask Alexa or Google Home to "Discover devices".
3. **Voice Commands:** Use commands like:
    - "Alexa, turn on [Plug Name]"
    - "Hey Google, turn off [Plug Name]"
    - "Alexa, set [Plug Name] to 50%" (if applicable for dimmable devices connected to the plug)

6.4. Timer and Schedule Function

Automate your devices with custom schedules:

- In the Smart-Life app, select your smart plug.
- Tap on the "Schedule" or "Timer" icon.
- Set specific times for the plug to turn on or off.
- You can create multiple schedules for different days or events.

7. Maintenance

To ensure the longevity and proper functioning of your smart plug:

- **Cleaning:** Disconnect the plug from the power source before cleaning. Wipe with a dry, soft cloth. Do not use harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check the plug and connected cables for any signs of damage or wear.
- **Storage:** If storing for an extended period, keep the plug in a cool, dry place away from direct sunlight and extreme temperatures.

8. Troubleshooting

If you encounter issues with your smart plug, refer to the following common problems and solutions:

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Device cannot connect to WiFi.	Incorrect WiFi password, 5 GHz network, weak signal, or device not in pairing mode.	Ensure correct 2.4 GHz WiFi password. Confirm your router is broadcasting a 2.4 GHz network. Move the plug closer to the router. Reset the plug and re-enter pairing mode.
Voice control not working.	Smart-Life account not linked, incorrect device name, or voice assistant issue.	Verify Smart-Life account is linked in Alexa/Google Home app. Ensure the device name in the app matches your voice command. Try rediscovering devices in the Alexa/Google Home app.
Plug is unresponsive.	No power, WiFi disconnected, or device malfunction.	Check if the power outlet is working. Verify WiFi connectivity. Try resetting the plug by unplugging and re-plugging it. If issues persist, contact customer support.

9. Specifications

Attribute	Value
Model Number	AK3-AT1-GL-M-X
Dimensions	5.8 x 5.1 x 9.3 cm
Weight	320 g
Operating Mode	ON-OFF
Rated Current	16 Amperes
Operating Voltage	230 Volts
Contact Type	Normally Open
Connector Type	Plug In
IP Rating	IP44 (Splash-proof)
Wireless Connectivity	2.4 GHz WiFi

10. Warranty and Support

DEWENWILS products are designed and manufactured to the highest quality standards. For warranty information and customer support, please refer to the warranty card included with your product or visit the official DEWENWILS website. If you experience any issues or have questions, please contact DEWENWILS customer service through their official channels or the seller on Amazon.es.
