PAWISE 2-in-1 Automatic Pet Feeder and Water Dispenser

Model: B08B185BDV

INTRODUCTION

This manual provides instructions for the safe and efficient use of your PAWISE 2-in-1 Automatic Pet Feeder and Water Dispenser. Please read this manual thoroughly before initial use and retain it for future reference.

SAFETY INFORMATION

- Ensure the feeder is placed on a stable, level surface to prevent tipping.
- This product is designed for pet food and water only. Do not use for other liquids or substances.
- Keep out of reach of small children.
- Regularly inspect the feeder for any damage. Discontinue use if damaged.
- Clean the feeder regularly to maintain hygiene and prevent bacterial growth.

PACKAGE CONTENTS

Verify that all components are present:

- 1 x Feeder Base (Blue and Gray)
- 1 x Food Storage Container with Lid (Clear)
- *Note: Water bottles are not included and must be prepared separately.*

SETUP INSTRUCTIONS

1. Assembling the Food Dispenser

1. Place the feeder base on a flat, stable surface.
2. Insert the clear food storage container into the designated slot on the base. Ensure it is seated firmly.
3. Remove the lid from the food storage container.
4. Fill the container with your pet's dry food.
5. Replace the lid securely. Food will automatically dispense into the bowl as your pet consumes it.

Image: Visual guide showing how to insert the food bucket, remove the lid, pour in food, and how food automatically falls.

2. Assembling the Water Dispenser

1. Select a standard plastic water bottle (not included).
2. Cut off the retaining ring from the neck of the water bottle. This ensures a proper fit.
3. Fill the bottle with fresh water.
4. Invert the filled water bottle and align its opening with the tenon (protrusion) in the water dispenser slot on the feeder base.
5. Rotate the bottle clockwise to secure it firmly onto the tenon. Water will flow into the bowl automatically.

OPERATING INSTRUCTIONS

Daily Use

- Ensure both the food container and water bottle are adequately filled.
- Place the feeder in an easily accessible location for your pet, away from direct sunlight or heat sources.
- Monitor your pet's consumption to ensure they are eating and drinking appropriately.

MAINTENANCE AND CLEANING

Regular cleaning is essential for your pet's health and the longevity of the feeder.

1. Disassembly:

- Remove the water bottle from its slot.
- Detach the food storage container from the base.

2. Cleaning:

- All components are designed for easy hand washing.
- Use mild soap and warm water to clean the base, food container, and water bowl area.

- Rinse thoroughly to remove all soap residue.
- Allow all parts to air dry completely before reassembly to prevent mold or mildew.

3. Reassembly:

- Once dry, reattach the food storage container to the base.
- Reinsert a filled water bottle.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Food not dispensing	Food container is empty or food is jammed.	Refill food container. Gently shake the feeder to dislodge any jammed food. Ensure food kibble size is appropriate for the dispenser.
Water not flowing	Water bottle is empty, not properly seated, or retaining ring was not removed.	Refill water bottle. Re-seat the bottle firmly, ensuring it's rotated onto the tenon. Verify the bottle's retaining ring has been cut off.
Feeder tips over easily	Not on a stable surface or pet is too aggressive.	Place the feeder on a firm, level surface. The base includes non-skid rubber feet for secure placement.

SPECIFICATIONS

- **Model:** B08B185BDV
- **Dimensions (L x W x H):** 13.5 x 10.6 x 14.1 inches (34.5 x 27 x 36 cm)
- **Food Capacity:** Approximately 5 Liters
- **Material:** Durable, non-toxic Plastic
- **Color:** Blue and Gray
- **Care Instructions:** Hand Wash Only
- **Features:** 2-in-1 design (food and water), easy to clean, non-skid rubber feet.
