FlashingBlinkyLights B08B3GTHY5

FlashingBlinkyLights Still-Light Sparkle Iridescent Pom Ears Light Up Party Headband User Manual

Brand: FlashingBlinkyLights | Model: B08B3GTHY5

1. PRODUCT OVERVIEW

The FlashingBlinkyLights Still-Light Sparkle Iridescent Pom Ears Light Up Party Headband is designed to add a vibrant and fun element to any celebration. This headband features highly reflective iridescent tinsel pom ears equipped with bright LED lights, perfect for festivals, New Year's Eve parties, bachelorette weekends, birthdays, Halloween, and more.

Key Features:

- Comfy Black Headband with Tinsel Pom Pom Ears & Bright LED Lights.
- Easy to Use: Simply flip a switch to activate, and LEDs will shine a bright steady light.
- Versatile for Various Occasions: Ideal for raves, festivals, New Year's Eve, bachelorette parties, birthday parties, Halloween, and more.
- Long-lasting Use: Batteries are replaceable, allowing the Pom Pom Ears to be used for multiple events.
- Premium Quality & Safe: Contains low mercury batteries and is CPSIA Compliant.

2. SETUP INSTRUCTIONS

2.1 Unpacking

Carefully remove the headband from its packaging. Inspect the product for any visible damage before use.

2.2 Battery Activation

To activate the LED lights, locate the small plastic pull tab near the battery compartment. Gently pull and remove this tab. The headband is now ready for operation.

3. OPERATING INSTRUCTIONS

3.1 Turning On/Off

Once the battery pull tab is removed, locate the small switch on the headband. Flip this switch to the "ON" position to illuminate the LED lights. To turn off the lights, flip the switch back to the "OFF" position.

4. MAINTENANCE

4.1 Cleaning

To clean the headband, use a damp cloth and gently wipe the surfaces. Do not submerge the headband in water. The care instructions specify **Hand Wash Only**. Avoid harsh chemicals or abrasive cleaners.

4.2 Battery Replacement

The batteries in your headband are replaceable, ensuring extended use. When the lights dim or stop working, it's time to replace the batteries. Locate the battery compartment, typically a small plastic casing near the switch. Open the compartment, remove the old batteries, and insert new ones, ensuring correct polarity. Dispose of old batteries responsibly.

5. TROUBLESHOOTING

If you encounter any issues with your FlashingBlinkyLights headband, please refer to the table below for common problems and their solutions.

| Issue | Solution |
|--|---|
| Lights are not turning on. | Ensure the plastic pull tab has been completely removed from the battery compartment. Check that the ON/OFF switch is in the "ON" position. Replace the batteries with new ones, ensuring correct polarity. |
| Lights are dim. | The batteries may be low. Replace them with new ones. |
| Headband feels uncomfortable or loose. | Adjust the position of the headband on your head for a more comfortable fit. |
