## 3. SETUP

### 3.1 Initial Charging

Before first use, fully charge the alilo Smarty Bunny Rattle. Connect the included Micro USB charging cable to the charging port located at the base of the toy and plug the other end into a USB power source (e.g., computer, wall adapter).

- The ears will flash red when the battery is low.
- During charging, the ears will turn red and remain lit.
- The ears will turn off when fully charged.
- A full charge provides up to 4 hours of continuous use.

## Easy to Carry

### Safe and convenient

Product size  
is 6.3 in \* 2.4 in \* 2.1 in  
weight only 7.05oz,  
it fits nicely in a toddler  
or babies hand.

## 4. OPERATING INSTRUCTIONS

### 4.1 Power On/Off and Volume Control

- To power on/off, rotate the volume control knob located at the base of the toy.
- Adjust the volume by turning the same knob clockwise (increase) or counter-clockwise (decrease).

### 4.2 Switching Modes

Press the Home Button (located on the front of the bunny's body) to cycle through the 5 different modes:

1. **Rattle Mode:** Shake the bunny to randomly emit 66 different natural sounds. This mode helps introduce babies to a variety of sounds and promotes hand-eye coordination.
2. **Music Mode:** Plays 16 preloaded nursery rhymes.
3. **Story Mode:** Plays 13 preloaded stories. Listening to stories aids in language development, imagination, and focus.
4. **Soothing Music Mode:** Plays 5 soothing music tracks to help calm and relax your child.
5. **White Noise Mode:** Plays 45 minutes of white noise, designed to assist with sleep. The toy will automatically enter sleep mode after 30 minutes of inactivity in this setting.

## 4.3 Color Recognition Function

The Smarty Bunny Rattle features an exclusive color recognition function. Use the included 9 color cards to engage your child in interactive color learning.

- Ensure the toy is in Rattle Mode.
- Place the bunny's base onto one of the color cards. The toy will identify the color and play a corresponding sound or phrase.
- **Note:** Color recognition is most accurate when pressing the bunny onto the included color cards. Identification with other items may vary.

# Interactive Color Learning

Explore & Recognize Colors Through Play

**Tips : Pressing on the included card ensures correct color identification, other items may have errors in identification**

## 5. MAINTENANCE

### 5.1 Cleaning Instructions

To clean the alilo Smarty Bunny Rattle, wipe it with wet wipes. Do not immerse the toy in water or use harsh cleaning agents, as this may damage the electronic components.

### 5.2 Storage

Store the toy in a cool, dry place away from direct sunlight and extreme temperatures when not in use.

## 6. SAFETY INFORMATION

- The product materials are Latex Free, Lead Free, and Phthalate Free.
- The silicone ears are safe and gentle for mouthing, serving as a teether.
- Always supervise infants and toddlers during play.
- Do not attempt to disassemble or modify the toy.
- Keep the charging cable away from children when not in use.
