Power your fun on the go and all day long.

4Hours

12Hours

Type-c quick charge

Image: TEZO TT06B Wireless Earbuds and Charging Case

The image above displays the TEZO TT06B wireless earbuds nestled within their charging case. The earbuds feature a sleek, in-ear design, and the charging case is compact, indicating portability. The case also shows LED indicators, likely for battery status.

4. SETUP

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

- **Charging the Case:** Connect the provided USB Type-C cable to the charging port on the case and to a USB power adapter (not included). The LED indicators on the case will show charging status. A full

charge for the case takes a short time, providing approximately 12 extra hours of playtime for the earbuds.

- **Charging the Earbuds:** Place the earbuds into the charging case. They will automatically begin charging. The earbuds can last for over 4 hours of playtime on a single charge.

4.2 Pairing with Your Device

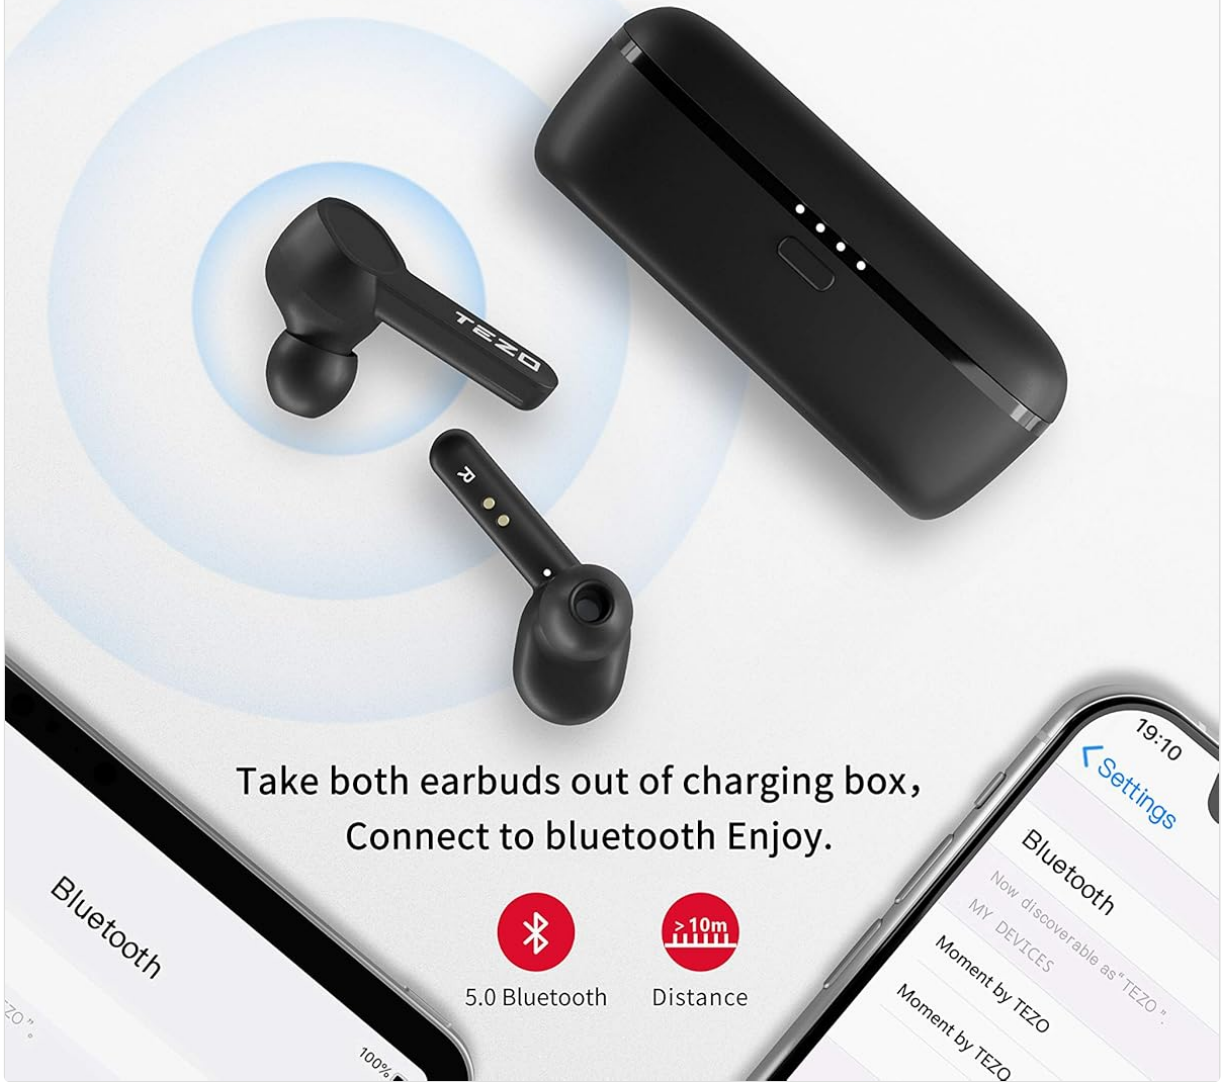

The TEZO TT06B earbuds feature one-step auto-pairing for convenience.

1. Ensure the charging case has sufficient power.
2. Open the charging case and remove both earbuds. They will automatically power on and connect to each other.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "TEZO TT06B" from the list of found devices to pair. Once connected, you will hear a confirmation tone.

Hassle-free Pairing

IOS & Android & Windows

Take both earbuds out of charging box,
Connect to bluetooth Enjoy.

5.0 Bluetooth

Distance

Image: Pairing the TEZO TT06B Earbuds with a Device

This image illustrates the process of pairing the TEZO TT06B earbuds with a mobile device. The earbuds are shown outside their charging case, and a smartphone screen displays the Bluetooth settings, highlighting the 'TEZO' device ready for connection. This visual confirms the simple pairing steps.

Left or Right
As You Like It

Image: Automatic Pairing of Left and Right Earbuds

The image shows the left and right TEZO TT06B earbuds, indicating their individual 'L' and 'R' markings. A subtle graphic suggests an automatic connection between the two earbuds, emphasizing the auto-pairing feature once they are removed from the case.

4.3 Wearing the Earbuds

For optimal sound quality and comfort, choose the ear tips that best fit your ears. The TEZO TT06B comes with three different sizes of non-slip ergonomic earplugs. Insert the earbuds gently into your ear canal and rotate them slightly to find a secure and comfortable fit.

5. OPERATING INSTRUCTIONS

5.1 Touch Controls

The TEZO TT06B earbuds feature high-precision touch sensors for easy control of music and calls.

Image: TEZO TT06B Earbud Touch Control Functions

This image provides a visual guide to the touch control functions on the TEZO TT06B earbuds. It depicts an earbud with various icons around it, representing actions such as skipping tracks (forward/backward), playing/pausing music, answering/ending calls, and activating a voice assistant. The fingerprint graphic on the earbud indicates the touch-sensitive area.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap the right earbud.
- **Previous Track:** Double tap the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud.

5.2 Power On/Off

- **Power On:** The earbuds automatically power on when removed from the charging case. To manually power on, press and hold the touch area on both earbuds for 3 seconds.

- **Power Off:** The earbuds automatically power off when placed back into the charging case. To manually power off, press and hold the touch area on both earbuds for 5 seconds.

5.3 Making Calls

The built-in microphone with noise reduction allows for clear hands-free calls. Use the touch controls as described above to manage calls.

6. MAINTENANCE

6.1 Cleaning

Regular cleaning helps maintain optimal performance and hygiene.

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- For ear tips, remove them from the earbuds and clean with a mild soap solution if necessary, then rinse thoroughly and dry completely before reattaching.
- Do not use abrasive cleaners, alcohol, or chemical solvents.

6.2 Water Resistance (IPX8)

The TEZO TT06B earbuds are IPX8 waterproof, meaning they are protected against continuous immersion in water under specific conditions. This makes them suitable for strenuous workouts, rain, and splashes.

Image: TEZO TT06B Earbuds IPX8 Water Resistance

This image depicts a person enjoying water activities while wearing the TEZO TT06B earbuds, visually confirming their IPX8 waterproof rating. The text on the image highlights resistance to sweat, water, and rain, reinforcing the product's durability for active use.

Important: While IPX8 rated, it is not recommended to use the earbuds for swimming or diving. Ensure the earbuds are dry before placing them back into the charging case to prevent damage.

6.3 Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.

7. TROUBLESHOOTING

If you encounter issues with your earbuds, try the following solutions:

- **Earbuds not pairing with each other:** Place both earbuds back into the charging case, close the lid, wait a few seconds, then remove them again. They should automatically connect.
- **Earbuds not connecting to device:** Ensure Bluetooth is enabled on your device and the earbuds are in pairing mode. Forget "TEZO TT06B" from your device's Bluetooth list and try pairing again.
- **No sound from one earbud:** Ensure both earbuds are charged. Try placing them back in the case and removing them. If the issue persists, try resetting the earbuds.
- **Charging issues:** Check the Type-C cable and power adapter. Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.
- **Resetting the Earbuds:** If issues persist, place both earbuds in the charging case. With the lid open, press and hold the button on the charging case (if available, or refer to specific product diagram for reset button location) for 10 seconds until the indicator lights flash, then release. This will reset the earbuds to factory settings.
