Funko 51118

Funko POP Disney Archives - Mickey Mouse 5 Pack Collectible Figures

Model: 51118 | Brand: Funko

INTRODUCTION

This instruction manual provides essential information for the proper handling, display, and care of your Funko POP Disney Archives - Mickey Mouse 5 Pack collectible figures. This exclusive set features five Mickey Mouse figures from different eras, presented on a singular commemorative base. Each figure is approximately 3.75 inches tall.

PRODUCT OVERVIEW

The Funko POP Disney Archives - Mickey Mouse 5 Pack includes:

- Five unique Mickey Mouse figures, each approximately 3.75 inches tall.
- A singular commemorative display base for the figures.
- Figures representing Mickey Mouse from various historical eras.

SETUP

Follow these steps to set up your Funko POP figures:

1. **Unboxing:** Carefully remove the figures and the display base from their packaging. Inspect all components for any visible damage.
2. **Placement:** Choose a stable, flat surface for display, away from direct sunlight, extreme temperatures, and high humidity to preserve the figures' condition.
3. **Figure Assembly:** Each Mickey Mouse figure is designed to fit securely onto the pegs on the commemorative base. Gently align the feet of each figure with the corresponding pegs on the base and press down firmly until they are stable.

Ensure all figures are securely attached to the base to prevent accidental falls.

OPERATING AND DISPLAY

These collectible figures are designed for static display. Once assembled on the base, they are ready to be showcased.

- **Handling:** When moving the display, always lift the entire base to ensure the figures remain securely attached. Avoid holding individual figures by their heads or limbs.
- **Display Environment:** For optimal preservation, display the figures indoors in a clean, dry environment. Avoid areas prone to vibrations or frequent disturbances.

MAINTENANCE

Proper maintenance will help preserve the appearance of your collectible figures:

- **Cleaning:** Dust the figures regularly with a soft, dry cloth or a soft-bristled brush. For stubborn dirt, lightly dampen a cloth with water and gently wipe the surface, then immediately dry with a clean, soft cloth.
- **Avoid Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the paint finish or material of the figures.
- **Storage:** If storing the figures, keep them in their original packaging or in a protective container in a cool, dry place.

TROUBLESHOOTING

This section addresses common concerns for collectible figures:

- **Figures Not Stable on Base:** Ensure the figures' feet are correctly aligned with the pegs on the base. Apply gentle, even pressure until they click or feel secure. If a peg is bent, carefully try to straighten it.
- **Dust Accumulation:** Regular, gentle dusting is the best prevention. For intricate areas, use a soft brush or compressed air (held at a safe distance).
- **Minor Scratches/Marks:** For minor surface marks, a very soft, clean eraser can sometimes gently remove them. Test on an inconspicuous area first. Avoid aggressive rubbing.

SPECIFICATIONS

Feature	Detail
Product Dimensions	15 x 3 x 4.5 inches
Item Weight	1.39 pounds
Manufacturer	Funko
Item Model Number	51118
Specific Instructions for Use	Indoor Display
Fabric Type	50% Cotton (Note: This may refer to packaging or accessory material, figures are typically vinyl)
Finish Types	Glossy
Assembly Required	No (Figures attach to base)
Number of Pieces	1 (referring to the set as a whole)
Included Components	Collectible Toy Set
