AutoFull AF070BPU/CB

AutoFull C3 Gaming Chair Instruction Manual

Model: AF070BPU/CB

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your AutoFull C3 Gaming Chair. Please read this manual thoroughly before use to ensure proper setup and to maximize your chair's features and longevity. Keep this manual for future reference.

PRODUCT FEATURES

- **Ergonomic Design:** Engineered for long-lasting support and comfort during extended periods of use.
- **Upgraded Seat Cushion:** Features a 5.1-inch integrated high-density foam for superior comfort and durability.
- **High-Quality Material:** Constructed with wear-resistant Super Soft PU leather on cushions, headrest, and lumbar pillow.
- **Robust Construction:** Utilizes SGS4-level cylinders and a high-strength nylon base for enhanced safety and stability.
- **Multifunctional Adjustment:** Includes 2D armrests (lift and rotation), 155° tilt function, and 25° rocking function.
- **Easy Assembly:** Designed for straightforward setup, with an estimated assembly time of 10-15 minutes.

Ergonomic Design

To provide long lasting support

The AutoFull C3 Gaming Chair features a racing-style design with red and black accents, providing ergonomic support for gaming and office use.

Detailed dimensions of the AutoFull C3 Gaming Chair, including backrest width, armrest height, seat depth, and overall height adjustment range.

155° Tilting + 25° Rocking

To suit all sitting positions

The ergonomic design of the AutoFull C3 Gaming Chair is engineered to provide long-lasting support for the back and neck, promoting proper posture during extended use.

Constructed with high-quality PU leather and carbon fiber texture, the chair is designed for durability and resistance to wear and tear.

The chair offers a 155-degree tilt function combined with a 25-degree rocking mechanism, allowing users to find various comfortable sitting and reclining positions.

Equipped with a 5.1-inch integrated high-density foam seat cushion, ensuring comfort and preventing deformation over time.

ASSEMBLY

The AutoFull C3 Gaming Chair is designed for quick and easy assembly. All necessary tools and hardware are included. Please follow the steps below or refer to the official assembly video for visual guidance.

Assembly Steps:

- 1. Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface. Verify all components are present against the parts list in the included user manual.
- 2. Attach Wheels to Base:** Insert the five caster wheels into the holes on the chair's base until they click securely into place.
- 3. Install Gas Lift Cylinder:** Place the gas lift cylinder into the center hole of the chair base.
- 4. Connect Seat to Backrest:** Secure the seat cushion to the backrest using the provided screws and tools. Ensure a firm connection.
- 5. Attach Armrests:** Fasten the armrests to the seat using the designated screws.
- 6. Mount Tilt Mechanism:** Attach the tilt mechanism to the underside of the seat cushion, aligning the holes and securing with screws. Ensure the levers are accessible.
- 7. Assemble Chair:** Carefully place the assembled seat and backrest onto the gas lift cylinder. Apply gentle downward pressure to secure the connection.
- 8. Attach Cushions:** Secure the lumbar support pillow and headrest pillow using their integrated straps. Adjust their positions for personalized comfort.

OPERATING INSTRUCTIONS

Your AutoFull C3 Gaming Chair offers multiple adjustment options to customize your seating experience.

Familiarize yourself with these functions for optimal comfort and support.

- **Height Adjustment:** Use the lever located on the right side beneath the seat to raise or lower the chair to your desired height.
- **Backrest Recline:** Pull the lever on the right side of the seat (similar to a car seat lever) to recline the backrest up to 155 degrees. Release the lever to lock the backrest in position.
- **Rocking Function:** The chair features a 25-degree rocking function. This can be enabled or disabled using the lever on the underside of the seat.
- **Armrest Adjustment:** The 2D armrests can be lifted vertically and rotated horizontally. Use the buttons or levers on the armrests to adjust them to support your arms and shoulders.
- **Lumbar and Headrest Support:** The included lumbar and headrest pillows are adjustable. Use their straps to position them along the backrest for personalized ergonomic support.

MAINTENANCE

To ensure the longevity and appearance of your AutoFull C3 Gaming Chair, regular maintenance is recommended.

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the PU leather.
- **Inspection:** Periodically check all screws and connections to ensure they are tight. Re-tighten if necessary.
- **Moving the Chair:** When moving the chair, lift it rather than dragging it to prevent damage to the base and casters.

TROUBLESHOOTING

If you encounter any issues with your AutoFull C3 Gaming Chair, please refer to the following common solutions:

- **Chair not adjusting height:** Ensure the height adjustment lever is fully engaged and the gas lift cylinder is properly seated in the base.
- **Chair wobbles:** Check that all screws are securely tightened, especially those connecting the seat to the backrest and the tilt mechanism to the seat. Ensure the base is level on the floor.
- **Casters not rolling smoothly:** Clean any debris or hair from the caster wheels. Ensure they are properly inserted into the base.
- **Backrest not reclining:** Verify the recline lever is functioning correctly and is not obstructed.

If the issue persists, please contact customer support for further assistance.

SPECIFICATIONS

Feature	Detail
