## KoolerThings 754-Variation

# KoolerThings Baby Bassinet Bedside Sleeper Instruction Manual

Model: 754-Variation

## INTRODUCTION

---

The KoolerThings Baby Bassinet Bedside Sleeper is designed to provide a safe and comfortable sleeping environment for your newborn. This versatile 4-in-1 unit functions as a standalone cradle, a bedside sleeper, a portable play area, and a travel crib. It is suitable for infants aged 0-8 months. Its thoughtful design allows for easy integration into your home, ensuring your baby remains close and secure.

## SAFETY INFORMATION

---

**WARNING: To prevent serious injury or death, always follow these instructions and warnings.**

- Always use the mattress provided by the manufacturer. Do not add extra padding or mattresses.
- Ensure all assembly steps are completed correctly and all fasteners are securely tightened before use.
- Never use the bassinet if any parts are missing, damaged, or broken. Contact KoolerThings for replacement parts.
- Do not place the bassinet near windows where cords from blinds or drapes could strangle a child.
- Discontinue use when the infant begins to push up on hands and knees, or reaches 8 months of age, or weighs over 20 lbs (9 kg), whichever comes first.
- Always use the safety straps to secure the bassinet to the adult bed when used in bedside sleeper mode.
- Ensure there is no gap between the bassinet and the adult bed when used in bedside sleeper mode.

## PARTS LIST

---

Please ensure all components are present before assembly:

- Bassinet Frame (main unit)
- Mattress Pad
- Storage Basket
- Safety Straps (for bedside use)
- Travel Bag

## SETUP INSTRUCTIONS

---

Follow these steps for initial setup of your KoolerThings Baby Bassinet.

### 1. Unfolding the Bassinet

1. Remove the bassinet from its travel bag.
2. Unstrap the mattress from its folded position.
3. Unfold the legs of the bassinet until they click securely into place. Ensure all four legs are fully extended and locked.
4. Lift the bassinet frame and ensure it clicks into its upright position.
5. Pull the storage basket down and attach it to the designated points on the frame.

For a visual guide on setup, please refer to the official instruction video:

Video: Detailed instructions on how to set up the KoolaBaby Bassinet.

## 2. Adjusting Height

The bassinet offers 5 height adjustment levels to align with various bed heights. To adjust, locate the height adjustment buttons on the side of the frame, press them, and slide the bassinet up or down to your desired level. Ensure both sides are adjusted evenly and click into place.

## 3. Converting to Bedside Sleeper Mode

To use as a bedside sleeper, unzip the side panel closest to your bed. Ensure the bassinet is securely positioned against your bed and use the provided safety straps to attach the bassinet frame to your bed frame. Thread the straps around your box spring or bed frame and buckle them into place, ensuring a snug fit with no gaps between the bassinet and your bed.

## OPERATING INSTRUCTIONS

---

### 1. Standalone Cradle Mode

In standalone mode, ensure both side panels are zipped up and locked. The bassinet can be moved easily between rooms thanks to its silent swivel wheels. Lock the wheels when the bassinet is in its desired stationary position.

### 3. Storage Features

The bassinet includes a spacious storage basket located underneath the sleeping area, ideal for keeping diapers, wipes, and other baby essentials within easy reach. Additionally, side pockets provide extra storage for items like bottles or small clothing articles.

# DURABLE DESIGN

Sturdy aluminium frame keeps your child safe while added features give you peace of mind.

## MAINTENANCE

Proper maintenance ensures the longevity and safety of your bassinet.

- **Fabric Care:** The fabric components of the bassinet are designed for hand washing only. Do not machine wash or tumble dry. Use mild soap and cold water, then air dry.
- **Frame Cleaning:** Wipe the aluminum frame with a damp cloth and mild soap. Dry thoroughly.
- **Mattress Pad:** The mattress pad should be spot cleaned with a damp cloth and mild soap. Ensure it is completely dry before placing it back in the bassinet. Consider using a fitted sheet for easier cleaning.
- **Regular Checks:** Periodically inspect all parts for wear, damage, or loose fasteners. Tighten any loose screws and replace damaged parts immediately.
