FORIOUS FB-0301B Black Widespread Bathroom Faucet Instruction Manual

Model: FB-0301B

1. INTRODUCTION

Thank you for choosing the FORIOUS FB-0301B Black Widespread Bathroom Faucet. This manual provides essential information for the proper installation, operation, maintenance, and troubleshooting of your new faucet. Please read it thoroughly before installation and retain it for future reference.

2. PRODUCT OVERVIEW

The FORIOUS FB-0301B faucet is designed for 3-hole, 6-12 inch center sinks, offering a modern aesthetic with its matte black finish and 360° swivel spout. It features two handles for precise control over water temperature and flow.

Key Features:

- High Quality Construction:** Made with lead-free materials, cUPC, NSF/ANSI/CAN 61, CEC, DOE certified for healthy and clean water.
- Durable Finish:** Elegant matte black finish, passed 24-hour acid salt spray test for rust and peeling resistance.
- Two-Handle Design:** Provides precise control over water temperature and flow.
- 360° Swivel Spout:** Enhances usability and flexibility.
- Drip-Free Cartridge:** Copper and ceramic disc mixing cartridge tested for 500,000 cycles for high air tightness and stability.
- Water-Saving Flow Rate:** 1.2 GPM (4.5 L/min) at Max 60psi.
- Included Components:** Comes with 24" flexible cUPC hoses (3/8" Thread) and a premium metal pop-up drain.

3. DIMENSIONS

Refer to the diagram below for detailed product dimensions to ensure compatibility with your sink setup. The faucet is suitable for 3-hole sinks with a 6-12 inch center, with an optimal installation effect between 6-10 inches. Pre-drilled hole size requirement: 1.26" min - 1.38" max. Maximum counter thickness: 1.38"/35mm.

Video: Official FORIOUS Bathroom Faucet Installation Guide. This video demonstrates the step-by-step process of installing the faucet, including inserting components into the countertop, connecting hoses, and testing the water flow.

Key Installation Steps:

1. Insert the faucet spout and two handles into the pre-drilled holes on your countertop.
2. Secure the components from beneath the sink using the provided gaskets and nuts.
3. Connect the hot and cold water supply lines to the corresponding faucet handles.
4. Connect the black 'Y' hose between the handles and the main spout.
5. Install the pop-up drain assembly into the sink basin.
6. Test for leaks and proper operation.

5. OPERATION

Your FORIOUS FB-0301B faucet features two handles for controlling water flow and temperature, and a 360° swivel spout for convenience.

Water Flow and Temperature Control:

- The left handle controls hot water.
- The right handle controls cold water.
- Adjust both handles to achieve your desired water temperature and flow rate.

Push-Seal's advanced compression lock seals the drain completely so your sink stays filled, even overnight.

When you need to clean the filter, simply pull out and remove the stopper.

Swivel Spout:

- The main spout can swivel 360 degrees, allowing you to direct water flow as needed for various tasks.

6. MAINTENANCE

Proper maintenance will ensure the longevity and aesthetic appeal of your FORIOUS faucet.

Cleaning the Finish:

- Clean the matte black finish regularly with a soft, damp cloth.
- Avoid abrasive cleaners, harsh chemicals, or polishing powders, as these can damage the finish.
- The finish is designed to resist rust and peeling, maintaining its appearance over time.

PASSED 24H ACID SALT SPRAY TEST

Anti-fingerprint

Decrease water spots

Anti-erode

7. TROUBLESHOOTING

If you encounter any issues with your FORIOUS faucet, please refer to the following general advice. For specific problems, contact customer support.

- **Low Water Flow:** Check if the water supply valves are fully open. Inspect the aerator for clogs and clean if necessary.
- **Leaks:** Ensure all connections are tightened properly. If leaks persist, the internal cartridge may need inspection or replacement.
- **Difficulty Adjusting Temperature:** Verify that both hot and cold water supply lines are correctly connected and functioning.

If these steps do not resolve the issue, please contact FORIOUS customer support for further assistance.

8. SPECIFICATIONS

Attribute	Value
