## SETUP AND HANDLING

To begin, carefully remove the plastic wrapping from the box. Open the box to access the individual packs. Handle cards by their edges to prevent damage to the surfaces.

For optimal preservation, it is recommended to place valuable cards into protective sleeves and top loaders immediately after opening.

## OPENING PACKS AND IDENTIFYING CARDS

Each pack contains 8 cards. Gently open each pack to reveal its contents. Refer to the "Box Contents" section for details on expected card types, parallels, and inserts.

### Identifying Parallels and Autographs

- **Numbered Parallels:** Look for a printed number on the card, typically on the back or front, indicating its rarity (e.g., "1/150").
- **Autograph Cards:** These cards feature an authentic signature from a player.
- **Memorabilia/Relic Cards:** These cards contain a piece of player-worn or used material.

## CARD MAINTENANCE AND STORAGE

To maintain the condition and value of your cards, store them in a cool, dry environment away from direct sunlight and extreme temperature fluctuations.

- Use soft sleeves and rigid top loaders for individual card protection.
- Store sleeved and top-loaded cards in acid-free storage boxes or binders.
- Avoid touching card surfaces directly with bare hands.

## TROUBLESHOOTING
