OROPY 6526

OROPY Rustic Wall Mounted Coffee Mug Rack with 12 Hooks and Storage Shelf

Model: 6526 | Brand: OROPY

Introduction

This manual provides comprehensive instructions for the assembly, installation, operation, and maintenance of your OROPY Rustic Wall Mounted Coffee Mug Rack. Designed to organize and display your coffee mugs while saving countertop space, this unit features a sturdy construction with 12 hooks and a top storage shelf. Please read this manual thoroughly before installation and use.

Setup and Installation

The OROPY Coffee Mug Rack is designed for straightforward assembly and wall mounting. All necessary hardware is included.

Components Included:

- Wooden panels with pre-attached hooks
- Metal side frames
- Top storage shelf
- Mounting hardware (screws, drywall anchors)
- Assembly tool (Allen wrench)

Assembly Steps:

1. Unpack all components and verify against the parts list.
2. Attach the wooden panels with hooks to the metal side frames using the provided bolts and Allen wrench. Ensure all connections are secure.
3. Secure the top storage shelf to the upper part of the metal side frames using the designated screws.

Mounting Instructions:

1. **Select Location:** Choose a suitable wall location, ideally near your coffee station or kitchen area. Consider the rack's dimensions (5.5"D x 15.7"W x 15.7"H) to ensure adequate space.
2. **Mark Mounting Points:** Hold the assembled mug rack against the wall at the desired height. Use a pencil to mark the positions of the mounting holes on the wall. It is recommended to use a stud finder to locate wall studs for maximum stability. If mounting into drywall without a stud, use the provided drywall anchors.
3. **Install Anchors/Screws:** Drill pilot holes at the marked locations. If using drywall anchors, insert them into the pilot holes. Drive the mounting screws into the anchors or directly into wall studs.
4. **Hang the Rack:** Align the keyhole slots on the back of the rack with the installed screws. Carefully slide the rack down until it is securely seated.

Operating Instructions

Your OROPY Coffee Mug Rack is designed for convenient storage and display of your favorite mugs and coffee accessories.

Using the Hooks:

- The rack features 12 sturdy metal hooks, arranged in three rows of four.
- Each hook has an upgraded 4.5-inch spacing, allowing it to accommodate most standard mug sizes.
- Hang mugs by their handles. For larger or wider mugs, you may need to alternate hooks to prevent them from touching.
- The design ensures mugs hang slightly off the wall, preventing scratches.

Utilizing the Top Storage Shelf:

- The top shelf provides a handy 5.5-inch deep space.
- Use this shelf for storing coffee pods, sugar packets, tea bags, small decorative items, or coffee syrups.
- Ensure items placed on the shelf do not exceed the shelf weight capacity of 45 pounds.

Maintenance

To ensure the longevity and appearance of your OROPY Coffee Mug Rack, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the wooden surfaces and metal frames with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Dusting:** Regularly dust the rack and hooks to prevent buildup.

- **Inspection:** Periodically check all screws and mounting hardware to ensure they remain tight and secure. Tighten if necessary.

Troubleshooting

If you encounter any issues with your mug rack, refer to the following common solutions:

- **Mugs are too close/touching:** While the hooks are spaced at 4.5 inches, some exceptionally wide mugs may still touch. Try arranging mugs by alternating larger ones with smaller ones, or skip a hook for very wide mugs.
- **Rack feels unstable after mounting:** Ensure the rack is securely mounted into wall studs whenever possible. If using drywall anchors, confirm they are correctly installed and fully engaged. Overloading the rack beyond its 45-pound shelf capacity can also affect stability.
- **Difficulty with assembly:** Double-check that all components are correctly oriented and that screws are fully tightened. Refer to the assembly video in the Setup section for visual guidance.

Specifications

Feature	Detail
Brand	OROPY
Model Number	6526
Material	Engineered Wood, Iron
Color	Rustic Brown
Product Dimensions (D x W x H)	5.5"D x 15.7"W x 15.7"H
