# TecTake 800762 Venise Rattan Garden Lounge Set Instruction Manual

Model: 402698 | Brand: tectake

## PRODUCT OVERVIEW

---

The TecTake 800762 Venise Rattan Garden Lounge Set is designed for outdoor use, offering comfortable seating and a stylish addition to your garden or patio. This set includes multiple seating elements, a table, and a stool, all constructed with durable polyrattan and stainless steel components.

Key features include:

- High-quality polyrattan weave for an attractive appearance.
- Robust construction with stainless steel screws for durability.
- Thick, comfortable seat and back cushions (approx. 7 cm).
- Removable and easy-to-clean cushion covers.
- Flexible arrangement of individual seating elements.
- Table with a removable, solid safety glass top.
- Weather-resistant design suitable for outdoor environments.

## SAFETY INSTRUCTIONS

---

- Ensure all components are securely fastened before use.
- Do not exceed the maximum load capacity of 120 kg per seat.
- Keep children away from small parts during assembly.
- Avoid placing hot items directly on the rattan surface or glass table without protection.
- In strong winds, secure or store cushions and lightweight elements to prevent damage.

## PACKAGE CONTENTS

---

Before assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, contact customer support.

- Seating elements (various configurations)

- Stool
- Table frame
- Safety glass tabletop
- Seat cushions
- Back cushions
- Assembly hardware (stainless steel screws, tools if included)

## SETUP AND ASSEMBLY

---

Assembly is required for this garden lounge set. It is recommended to have two people for easier and quicker assembly. Ensure you have adequate space and a clean, flat surface for assembly.

### Step 1: Unpacking and Preparation

Carefully unpack all components. Lay them out on a protective surface to prevent scratches. Identify all parts against the package contents list.

## Step 2: Assembling Seating Modules

Connect the individual seating elements using the provided stainless steel screws. Ensure all connections are tight but do not overtighten to avoid damaging the polyrattan frame. The modules can be arranged flexibly to suit your space.

## Step 3: Assembling the Table

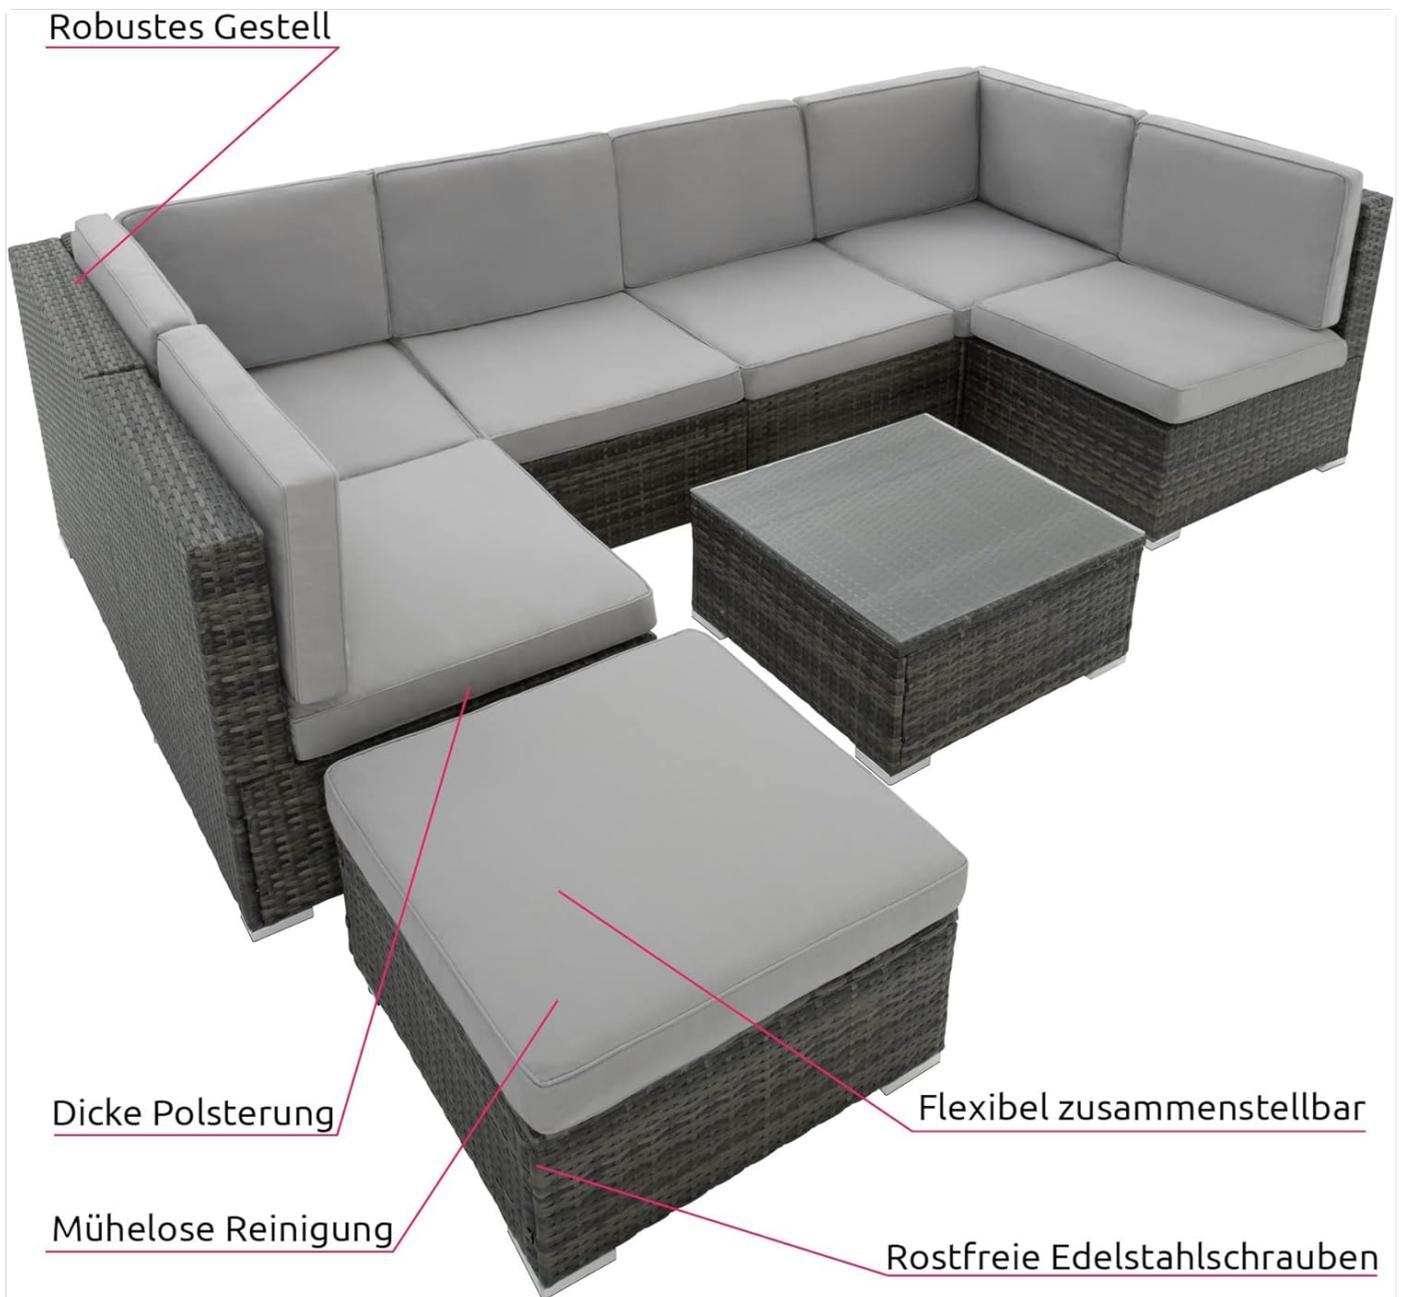

Assemble the table frame. Once the frame is stable, carefully place the safety glass tabletop onto the frame. The glass is removable for cleaning or storage.

#### **Step 4: Placing Cushions**

Place the thick seat and back cushions onto the assembled seating modules and stool. The cushion covers are removable and water-repellent.

## **OPERATING INSTRUCTIONS**

---

The TecTake Venice Rattan Garden Lounge Set is designed for comfortable outdoor seating. Its modular design allows for various configurations to suit your space and needs.

### **Arranging the Modules**

The individual seating elements can be rearranged to form different layouts, such as an L-shape, U-shape, or separate chairs and sofas. Experiment with different configurations to find the best fit for your patio or garden.

## Using the Table

The table provides a convenient surface for drinks, snacks, or decorative items. The glass top is robust but should be handled with care. It can be removed for easy cleaning.

## MAINTENANCE

---

Regular maintenance will help preserve the appearance and longevity of your garden lounge set.

### Cleaning the Rattan Frame

Wipe the polyrattan frame with a damp cloth and mild soap solution. Rinse with clean water and dry thoroughly. Avoid using harsh chemicals or abrasive cleaners, as these can damage the material.

### Cushion Care

The cushion covers are removable and can be hand-washed or machine-washed on a gentle cycle with cold water. Air dry only; do not tumble dry. Ensure cushions are completely dry before storing to prevent mold or mildew.

## Glass Tabletop Care

Clean the glass tabletop with a standard glass cleaner and a soft cloth. Avoid using abrasive materials that could scratch the surface.

## Winter Storage

During winter months or periods of prolonged bad weather, it is recommended to store the cushions indoors. The rattan frame can remain outdoors but should be covered with a protective furniture cover to extend its lifespan.

## TROUBLESHOOTING

| Problem               | Possible Cause                                     | Solution   |
|-----------------------|--|--|
| Wobbly seating module | Loose screws or uneven surface.                    | Check and tighten all assembly screws. Ensure the furniture is placed on a flat, stable surface. |
| Cushions sliding off  | Smooth surface of the rattan or frequent movement. | Consider using non-slip mats under the cushions.   |

| Problem                    | Possible Cause                             | Solution   |
|----------------------------|--|--|
| Difficulty during assembly | Misaligned parts or incorrect orientation. | Refer to the assembly diagrams. Do not force parts together. Loosen previously tightened screws if necessary to realign. |
| Glass tabletop scratches   | Abrasive cleaning or sharp objects.        | Use soft cloths and non-abrasive cleaners. Place coasters under items to prevent scratches.                              |
