iLive Electronics Truly Wire-Free Earbuds Model IAEBT270B
User Manual

Model: IAEBT270B | Brand: iLive Electronics

INTRODUCTION

The iLive Electronics Truly Wire-Free Earbuds (Model IAEBT270B) offer a seamless audio experience without the constraints of wires. Designed for comfort and performance, these sweat-resistant earbuds are ideal for active lifestyles. This manual provides detailed instructions for setup, operation, and maintenance to ensure optimal use of your device.

PACKAGE CONTENTS

Verify that all items are present in the package:

- Truly Wire-Free Earbuds (Left and Right)
- Rechargeable Charging Case
- USB-C Charging Cable
- Three Sets of Ear Tips (Small, Medium, Large)

PRODUCT OVERVIEW

Figure 1: Earbuds in open charging case, highlighting key features.

Figure 2: Front view of both earbuds, illustrating control button layout.

The earbuds feature on-ear controls for managing audio playback and calls. They are designed with ear hooks for a secure fit during physical activity. The included charging case protects the earbuds and provides additional battery life.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Place the earbuds into their respective slots in the charging case.
2. Connect the USB-C charging cable to the charging port on the case and to a USB power source.
3. The charging indicator on the case will show charging status. A full charge for the case typically takes 2 hours.
4. Once fully charged, disconnect the cable.

Figure 3: Earbud in charging case, ready for charging.

Figure 4: Closed charging case, indicating charging in progress or full charge.

The earbuds provide approximately 5 hours of playback at 50% volume and 2.5 hours at 100% volume on a single charge.

2. Bluetooth Pairing

The right and left earbuds are pre-paired from the factory. Follow these steps to connect them to your device:

1. Remove both earbuds from the charging case. They will automatically power on and enter pairing mode.
2. On your Bluetooth-enabled device (e.g., smartphone, tablet), go to the Bluetooth settings.
3. Search for and select "IAEBT270B" from the list of available devices.
4. Once connected, you will hear a voice prompt confirming the successful pairing.

The earbuds have a wireless range of up to 49 feet (approximately 15 meters).

3. Fitting Ear Tips

For optimal sound quality and comfort, select the ear tips that best fit your ears. Three sizes (small, medium, large) are included.

1. Gently remove the pre-installed ear tips.
2. Select a different size and firmly push it onto the earbud nozzle until it clicks into place.
3. Test different sizes to find the most secure and comfortable fit.

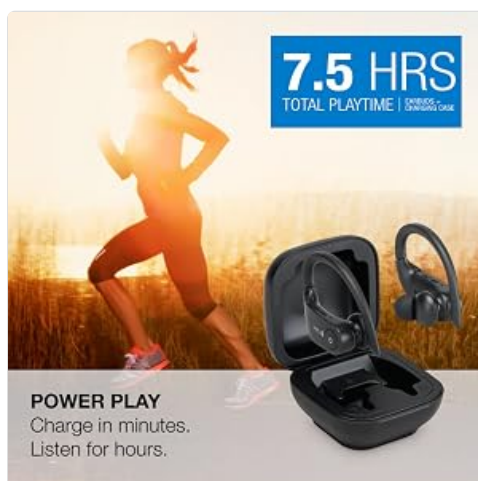

Figure 5: Proper fit of earbuds for secure wear.

On-Ear Controls

The earbuds feature multi-function buttons for easy control:

- **Power On/Off:** Press and hold the power button.
- **Play/Pause:** Single press the play/pause button.
- **Volume Up/Next Track:** Press the volume up button for volume, or hold for next track.
- **Volume Down/Previous Track:** Press the volume down button for volume, or hold for previous track.
- **Answer/End Call:** Single press the phone button.
- **Reject Call:** Press and hold the phone button.

Voice Prompts

The earbuds provide voice prompts to indicate various functions, such as power on/off, pairing status, and low battery warnings.

MAINTENANCE

To ensure the longevity and performance of your earbuds:

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Sweat Resistance:** The earbuds are sweat-resistant. After intense workouts, wipe them dry before placing them back in the charging case.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Battery Care:** Avoid fully depleting the battery frequently. Charge the case and earbuds regularly to maintain battery health.

TROUBLESHOOTING

Problem	Possible Solution
Earbuds not powering on.	Ensure earbuds are charged. Place them in the charging case and connect the case to power.
Earbuds not pairing with device.	Ensure Bluetooth is enabled on your device. Make sure earbuds are in pairing mode (usually indicated by a flashing LED). Forget the device from your phone's Bluetooth list and try pairing again. Ensure earbuds are within the 49-foot wireless range.
Only one earbud is working.	Place both earbuds back into the charging case, then remove them simultaneously. Ensure both earbuds are charged. If issues persist, try resetting the earbuds (refer to manufacturer's website for specific reset instructions if not in manual).

Problem	Possible Solution
Poor sound quality or disconnections.	Ensure earbuds are within range of your device. Check for interference from other wireless devices. Clean the ear tips and earbud nozzles. Ensure a proper fit with the correct ear tip size.

SPECIFICATIONS

Feature	Detail
