6. CARE AND MAINTENANCE

Proper care will extend the life and maintain the appearance of your sofa. The polyester fabric is soft to touch, durable, and easy to maintain.

- **Regular Cleaning:** Vacuum the sofa regularly using an upholstery attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for polyester upholstery. Test the cleaner on an inconspicuous area first.
- **Avoid Harsh Chemicals:** Do not use harsh detergents, abrasive cleaners, or solvents, as these can damage the fabric.
- **Cushion Care:** Periodically fluff and rotate cushions to maintain their shape and even out wear.
- **Frame Care:** Wipe the metal legs with a soft, damp cloth. Avoid abrasive cleaners.
- **Sunlight Exposure:** Minimize direct sunlight exposure to prevent fading of the fabric.
