INTRODUCTION

This manual provides essential instructions for the safe assembly, operation, and maintenance of your HOMCOM Accent Lounge Rocking Chair. Please read this guide thoroughly before use and retain it for future reference.

SAFETY INFORMATION

WARNING:

- MAXIMUM WEIGHT CAPACITY: 330 lbs. Do not exceed this limit.
- Always use caution when rocking to avoid falls.
- Ensure all components are securely fastened before use.
- Keep children and pets away from the chair during assembly.
- Do not stand on the chair.
- Avoid placing the chair near heat sources or direct sunlight to prevent material degradation.

PRODUCT OVERVIEW

The HOMCOM Accent Lounge Rocking Chair is designed for comfort and stability, featuring a solid curved wood base and a linen padded seat. Its modern design complements various home interiors.

Key Features

- Classic Modern Design: Simple fabric style with wooden legs, suitable for living rooms, bedrooms, or offices.
- Smooth Rocking Motion: Solid curved base provides a gentle rocking experience.

- Comfortable Support: Thick padded cushion and soft backrest for a relaxing experience.
- Breathable Linen Surface: Allows for natural airflow, preventing stickiness in warm temperatures.
- Stable & Safe Construction: Natural wood frame ensures stability and supports up to 330 lbs.

SETUP

The HOMCOM Accent Lounge Rocking Chair is designed for straightforward assembly. It typically arrives in two main pieces that slide together.

Assembly Steps:

1. Unpack all components and ensure all parts are present according to the included parts list.
2. Align the backrest section with the seat section.
3. Carefully slide the backrest into the designated slots on the seat base until it locks securely into place.
4. Verify that all connections are firm and stable before using the chair.

OPERATING INSTRUCTIONS

To use the rocking function of your chair, simply sit comfortably and gently push off with your feet. The curved wooden base is designed to provide a smooth and gradual rocking motion.

- Ensure the chair is placed on a stable, level surface to prevent tipping.
- Avoid excessive force when rocking to maintain stability and prevent damage.
- Keep fingers and clothing clear of the rocking mechanism during use.

RECLINER

Curved base allows you to rock back and forth gently

MAINTENANCE

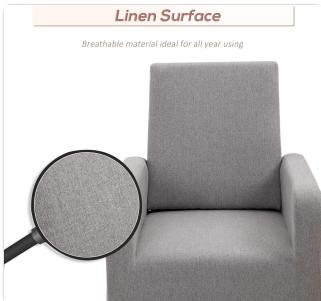

Regular maintenance will help prolong the life and appearance of your rocking chair.

Cleaning:

- **Fabric:** The linen surface can be wiped clean. For spills, blot immediately with a clean, dry cloth. For tougher stains, use a mild upholstery cleaner according to its instructions. Test on an inconspicuous area first.
- **Wood Base:** Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.

General Care:

- Periodically check all screws and bolts to ensure they are tight. Retighten as necessary.
- Avoid exposing the chair to direct sunlight or extreme temperatures, which can cause fading or damage to the materials.
- Do not drag the chair when moving it; lift it to prevent damage to the legs and floor.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Chair feels uncomfortable or too firm.	Personal preference for softness; new cushion firmness.	Consider adding a decorative pillow or additional seat cushion for personalized comfort. Cushion firmness may soften with use over time.
Chair slides forward during rocking.	Smooth flooring surface; uneven weight distribution.	Place a non-slip rug or mat under the chair. Ensure even weight distribution while rocking.
Squeaking noise during rocking.	Loose connections; friction between wood components.	Check and tighten all assembly bolts. Apply a small amount of lubricant (e.g., silicone spray) to contact points of the rocking mechanism if necessary.

SPECIFICATIONS

Feature	Detail
Brand	HOMCOM
Model Name	Rocking Chair
Model Number	US833-860V80GY0131
Color	Grey
Product Dimensions (D x W x H)	34.75"D x 29.25"W x 42.25"H
Seat Depth	20.5 inches
Material	Linen, Eucalyptus (Wood)
