Tribesigns HOGA-1004

Tribesigns Computer Desk Instruction Manual

Model: HOGA-1004

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Tribesigns Computer Desk. Designed for home and office use, this desk offers a spacious and sturdy workspace.

SETUP AND ASSEMBLY

The Tribesigns Computer Desk is designed for quick and easy assembly, typically taking less than 15 minutes. All necessary tools, including a hex key, are provided.

Assembly Steps:

1. **Step 1: Attach Legs to Desktop.** Carefully align the four metal legs with the pre-drilled holes on the underside of the desktop. Ensure the leg bars are facing each other for proper alignment. Secure each leg using the provided screws and hex key.
2. **Step 2: Attach Leg Bars.** Connect the two leg bars between the pairs of legs using the remaining screws and hex key. This step enhances the desk's stability.

Tip: Ensure all screws are tightened securely but do not overtighten to avoid damaging the materials.

EASY ASSEMBLE

Only 2 Steps

OPERATING INSTRUCTIONS

Your Tribesigns Computer Desk is designed for versatile use in various settings, including home offices, bedrooms, dormitories, and living rooms. Its robust construction ensures a stable and comfortable workspace.

Key Features:

- **Spacious Desktop:** The 63-inch (L) x 23.6-inch (W) desktop provides ample space for multiple monitors, laptops,

printers, and other office essentials.

- **Generous Leg Room:** With an underneath leg distance of 58.26 inches, the desk offers significant leg room, making it comfortable for users of various heights.
- **Superior Stability:** Equipped with metal legs and adjustable leg pads, the desk remains stable even on uneven flooring. The heavy-duty powder-coated steel frame (1.57" x 1.57" width) and 0.59" thick laminated MDF desktop ensure durability and a high weight capacity of up to 900 lbs.

MAINTENANCE

To ensure the longevity and appearance of your Tribesigns Computer Desk, follow these simple maintenance guidelines:

- **Cleaning:** The laminated MDF desktop is waterproof and anti-scratch, making it very easy to clean. Use a soft, damp cloth with mild soap and water to wipe down the surface. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Wipe up spills immediately to prevent any potential water damage, although the surface is designed to be water-resistant.
- **Protection:** While the desk is durable, consider using coasters for drinks and desk pads for heavy equipment or writing to further protect the surface from scratches and marks.

- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain the desk's stability.

TROUBLESHOOTING

If you encounter any issues with your Tribesigns Computer Desk, refer to the following common troubleshooting tips:

- **Desk Wobbles:**
 - Ensure all assembly screws are fully tightened.
 - Adjust the leg pads at the bottom of each leg. Rotate them clockwise or counter-clockwise to level the desk on uneven floors.
- **Difficulty Assembling:**
 - Refer back to the "Setup and Assembly" section and the provided diagram.
 - Ensure the leg bars are correctly oriented and facing each other as indicated in the instructions.
 - Do not force parts; if they don't fit, re-check alignment.
- **Scratches on Floor:**
 - Verify that the adjustable leg pads are properly installed and making contact with the floor. These pads are designed to prevent scratching.
 - Avoid dragging the desk; lift it when moving to prevent damage to both the desk and your flooring.
