Brand Name	Bewinner
Model	V-193

| Material	Plastic
Output Power	3W
Channel	2.0
Frequency Response Range	25Hz-20KHz
Separation	40dB
Power Supply	USB 5V
SNR	80dB
Voltage	5V
Current	60mA
Product Dimensions (L*W*H)	Approx. 32 x 6.4 x 6.8 cm (12.6 x 2.5 x 2.7 inches)
Weight	Approx. 549g (1.21 pounds)
Connectivity Technology	USB, 3.5mm Audio Jack
Compatible Devices	Smartphone, Tablet, Desktop, Television, Laptop, MP3 Player

Image showing the dimensions of the soundbar: approximately 12.6 inches (32 cm) long, 2.5 inches (6.4 cm) deep, and 2.7 inches (6.8 cm) high.

SETUP

Follow these steps to set up your Bewinner USB Wired Soundbar:

1. **Connect Audio Cable:** Plug the 3.5mm audio jack into the audio output port of your device (e.g., computer, laptop, TV, smartphone).

2. **Connect USB Power:** Plug the USB-A connector into a USB port on your device or a USB power adapter (5V). The soundbar is powered via USB.

3. **Position the Soundbar:** Place the soundbar on a stable, flat surface, ideally in front of your monitor or TV for optimal sound projection.

4. **Power On:** Locate the power switch on the inline control. Press it to turn on the soundbar. The blue LED breathing light will illuminate.

5. **Adjust Volume:** Use the volume knob on the inline control to adjust the sound level to your preference.

Setup Demonstration Video

This video demonstrates the simple steps to connect and set up the Bewinner USB Wired Soundbar, including plugging in the USB and 3.5mm audio cables.

OPERATING INSTRUCTIONS

Once the soundbar is set up, operating it is straightforward:

- **Power On/Off:** Use the power switch on the inline control to turn the soundbar on or off.

- **Volume Control:** Rotate the volume knob on the inline control to increase or decrease the audio output.

- **Audio Source:** Ensure your connected device's audio output is directed to the 3.5mm jack where the soundbar is connected. Adjust the volume on your device if necessary.

- **LED Indicator:** The blue LED breathing light indicates that the soundbar is powered on and functioning.

MAINTENANCE

To ensure the longevity and optimal performance of your soundbar, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the surface of the soundbar. Do not use liquid cleaners or abrasive materials, as they may damage the finish.
- **Storage:** When not in use for extended periods, store the soundbar in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Moisture:** Keep the soundbar away from water and high humidity to prevent internal damage.
- **Handle with Care:** Avoid dropping or subjecting the soundbar to strong impacts.

TROUBLESHOOTING

If you encounter any issues with your Bewinner USB Wired Soundbar, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
No sound	- Soundbar not powered on. - Volume too low. - Audio cable not properly connected. - Incorrect audio output selected on device. - Faulty audio source.	- Ensure the power switch is on and the blue LED is lit. - Increase volume using the inline knob and your device's volume control. - Check that the 3.5mm audio jack is fully inserted into both the soundbar and your device. - Verify that your device's audio output is set to the correct port. - Test with another audio source or device.
Distorted sound	- Volume set too high. - Poor audio source quality. - Loose cable connection.	- Reduce the volume on both the soundbar and your device. - Try a different audio file or streaming service. - Ensure all cables are securely connected.
Blue LED not lighting up	- Soundbar not receiving power. - Power switch is off.	- Ensure the USB cable is securely plugged into a working USB port or power adapter. - Press the power switch on the inline control to turn the soundbar on.

WARRANTY AND SUPPORT

For warranty information and customer support, please refer to the purchase platform or contact Bewinner customer service directly. Specific warranty terms and conditions may vary by region and retailer.

For further assistance, you may visit the official Bewinner website or contact their support team through the contact information provided at the point of purchase.
