## Amway Concentrated Liquid Detergent

# Amway Home Laundry Detergent Instruction Manual

Model: Concentrated Liquid Detergent

Brand: Amway

### PRODUCT OVERVIEW

---

The Amway Home Laundry Detergent is a concentrated liquid formula designed for effective cleaning of various fabrics. This product is formulated to be biodegradable and free from chlorine, phosphates, and harsh acids/alkalis, making it suitable for sensitive skin and environmentally conscious users. It comes in a 6.6-pound (approximately 105.6 ounce) container.

## SETUP AND PREPARATION

Before using the Amway Home Laundry Detergent, ensure your washing machine is clean and ready for a new load. No special setup is required for the detergent itself beyond opening the container.

### Storage

- Store the detergent in a cool, dry place, away from direct sunlight and extreme temperatures.
- Keep the container tightly closed when not in use to prevent spillage and maintain product integrity.

- Ensure the product is stored out of reach of children and pets.

## OPERATING INSTRUCTIONS

Follow these steps for optimal cleaning results with Amway Home Laundry Detergent:

Image: Side view of the Amway Home Laundry Detergent packaging, displaying usage directions in multiple languages.

1. **Sort Laundry:** Separate clothes by color, fabric type, and soil level.
2. **Check Garment Labels:** Always refer to clothing care labels for specific washing instructions.

3. **Measure Detergent:** Add 1 scoop (35 ml) of Amway Home Laundry Detergent to each load. For heavily soiled loads or larger washing machines, a slightly increased amount may be used, but always start with the recommended dosage.
4. **Add to Dispenser:** Pour the measured detergent into your washing machine's detergent dispenser. If your machine does not have a dispenser, add the detergent directly to the wash drum before adding clothes.
5. **Load Clothes:** Place your sorted laundry into the washing machine.
6. **Select Cycle:** Choose the appropriate wash cycle and water temperature for your laundry.
7. **Start Machine:** Begin the wash cycle.

This concentrated formula is designed to rinse clean, leaving no residue on your clothes or in your machine.

## MAINTENANCE

Proper maintenance of your laundry routine and detergent storage ensures product effectiveness and longevity.

- Regularly clean your washing machine to prevent detergent buildup, especially in the dispenser.
- Ensure the detergent cap is securely fastened after each use to prevent evaporation or contamination.
- Avoid mixing this detergent with other cleaning agents unless specifically instructed by garment care labels or machine manuals.

## TROUBLESHOOTING

If you encounter issues while using Amway Home Laundry Detergent, consider the following:

Problem	Possible Cause	Solution
Clothes not clean	Incorrect dosage, overloaded machine, inappropriate water temperature.	Ensure 1 scoop (35 ml) per load. Do not overload the machine. Use appropriate water temperature for fabric type.
Detergent residue on clothes	Too much detergent, insufficient rinse cycle, hard water.	Reduce detergent amount slightly. Ensure machine completes full rinse cycle. Consider a water softener if you have hard water.
Unpleasant odor after washing	Clothes left in machine too long, dirty washing machine.	Remove clothes promptly after cycle. Clean your washing machine regularly.

## SPECIFICATIONS

Feature	Detail
