Linon White 3-Piece Faux Marble Tavern Set Instruction Manual

Model: AMZN1871

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Linon White 3-Piece Faux Marble Tavern Set. Please read all instructions carefully before assembly and use to ensure safe and proper functionality.

The set includes one rectangular counter-height table and two backless counter-height stools. The table features a faux marble top, and the stools have padded faux leather seats. The design is space-saving, allowing stools to tuck neatly under the table when not in use.

IMPORTANT SAFETY INFORMATION

WARNING: Cancer and Reproductive Harm

- Ensure all parts are present and undamaged before assembly.
- Do not overtighten screws during assembly to avoid damaging components.
- Place the table on a flat, stable surface.
- Do not stand on the table or stools.
- Keep small parts away from children during assembly.
- Regularly check and tighten all fasteners to ensure stability.

- Assembly Instructions Manual

SETUP AND ASSEMBLY

Assembly is required. Please follow the steps carefully. A screwdriver (not included) may be needed in addition to the provided Allen wrench.

Table Assembly

1. Carefully unbox all components and lay them out on a soft, clean surface to prevent scratches.
2. Identify the table top and the four table legs.
3. Locate the pre-installed wooden blocks in the corners on the underside of the table top. These blocks are for shipping protection and must be removed. Use a screwdriver or power drill to carefully unscrew and remove these blocks.
4. Attach each table leg to the corners of the table top. Ensure the non-slip/non-scratch material on the bottom of the legs faces downwards.
5. Insert the provided bolts (E), washers (D), and then the screw (A) into the designated holes to secure each leg. Hand-tighten as much as possible.
6. Use the provided Allen wrench to fully tighten all screws until the legs are securely fastened and stable. Do not overtighten.
7. Carefully flip the assembled table upright.

Stool Assembly (Repeat for both stools)

1. Identify the stool leg assemblies and the stool seat.
2. Connect the two side frames of the stool using the crossbars. Ensure the pre-drilled holes align.
3. Insert screws (B) and (C) to secure the crossbars to the side frames. Hand-tighten initially.
4. Once the frame is assembled, place the padded faux leather seat on top.
5. Align the seat with the top of the stool frame.
6. Use screws (G) to secure the seat to the frame from underneath. A power drill can expedite this step, but be careful not to overtighten.
7. Insert the wooden buttons (H) into any visible screw holes for a finished look.

OPERATING INSTRUCTIONS

Your Linon 3-Piece Faux Marble Tavern Set is designed for versatile use in various living spaces.

- **Dining Table:** Use the table and stools as a compact dining solution for two.
- **Desk:** The counter height makes it suitable as a standing desk or a high-top workspace.

- **Buffet/Serving Area:** Utilize the table as an additional surface for serving food or displaying items.
- **Space-Saving:** The backless stools are designed to tuck neatly under the table when not in use, maximizing floor space.

MAINTENANCE AND CARE

- **Cleaning:** For the faux marble top and wooden legs, wipe clean with a damp cloth. Avoid harsh chemicals.
- **Faux Leather Seats:** Hand wash only. Use a mild soap and water solution for cleaning, then wipe dry.
- **Regular Checks:** Periodically inspect all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Protection:** The table legs are equipped with non-slip/non-scratch material to protect your floors.

TROUBLESHOOTING

- **Wobbly Table/Stools:** Ensure all screws are fully tightened. If wobbling persists, check that the table is on an even surface.
- **Chipping/Blemishes:** The faux marble top is durable but can be susceptible to chipping if struck with force. Handle with care.

- **Difficulty Assembling:** Refer to the detailed assembly instructions provided in the manual. For further assistance, contact customer support.
