TIDEWE THC002-AMZ

TIDEWE Hunting Chair (Model THC002-AMZ) User Manual

Comprehensive instructions for assembly, operation, and maintenance.

Introduction

Thank you for choosing the TIDEWE Hunting Chair. This manual provides detailed instructions to ensure safe and effective use of your 360° Silent Swivel Seat. Designed for comfort and stability, this chair is suitable for various outdoor activities including hunting, camping, and fishing.

Product Components

Your TIDEWE Hunting Chair package includes the following items:

- Chair Frame with 360° Swivel Mechanism
- Four Adjustable Legs
- Removable Seat Cover
- Arm Pads
- Cushion
- Screw-in Knobs for assembly
- Adjustable Shoulder and Compression Straps (for transport)

Setup Instructions

Follow these steps to assemble your TIDEWE Hunting Chair:

1. **Invert the Chair:** Place the chair upside down on a flat, soft surface to prevent scratches.
2. **Attach the Legs:** Connect the four adjustable legs to the chair body using the provided screw-in knobs. Ensure they are securely tightened.
3. **Adjust Height & Secure:** Flip the chair upright. Adjust each leg independently to your desired height and to accommodate uneven terrain. Tighten the leg adjustment mechanisms to lock them in place.
4. **Install Seat Cover and Arm Pads:** Place the removable seat cover onto the chair. Attach the arm pads to the armrests.

Operating Instructions

360° Silent Swivel

The chair features a silent 360° swivel mechanism, allowing you to rotate smoothly and quietly for optimal positioning without disturbing your surroundings. The noise-reducing armrest padding and screw-in knobs further minimize sound during movement.

Adjustable Legs for Uneven Terrain

Each of the four legs can be adjusted independently to ensure stability on various surfaces. The large swivel feet increase ground contact area by 35%, providing enhanced stability on soft or uneven ground. Adjust the leg height from 17.5 inches to 22.2 inches for personalized comfort.

Comfort Features

The chair is designed for all-day comfort with breathable TechMesh fabric, a widened backrest, and a removable seat cover. It supports up to 330 lbs, ensuring a comfortable experience during extended periods of use.

Maintenance

To maintain your TIDEWE Hunting Chair, simply wipe it clean with a damp cloth. Ensure all components, especially the screw-in knobs and leg adjustment mechanisms, are free from dirt and debris to ensure smooth operation and longevity. Store in a dry place when not in use.

Troubleshooting

- **Chair feels unstable:** Ensure all four legs are fully extended and locked, and that the swivel feet are making firm contact with the ground. Adjust individual leg heights to compensate for uneven terrain.
- **Swivel mechanism is stiff or noisy:** Check for any obstructions around the swivel base. Ensure all connections are tight. If the issue persists, a small amount of silicone-based lubricant can be applied to the swivel mechanism (avoiding contact with fabric).

- **Difficulty folding/unfolding:** Ensure no parts are jammed. Check that all adjustment knobs are loosened before attempting to fold or unfold the chair.

Specifications

Feature	Detail
Brand	TIDEWE
Model Name	THC002-AMZ
Color	Black-standard Edition
Material	TechMesh Fabric, Metal Frame
Product Dimensions (D x W x H)	9.5"D x 24.8"W x 27.2"H
