## Linenspa LS5C182030CGT-UK

# Linenspa 5 cm Gel Infused Memory Foam Mattress Topper with Zippered Cover

Model: LS5C182030CGT-UK

## INTRODUCTION

This manual provides essential information for the setup, use, and maintenance of your Linenspa 5 cm Gel Infused Memory Foam Mattress Topper. Designed to enhance comfort and support, this topper features gel-infused memory foam and a removable zippered cover. Please read these instructions carefully to ensure proper use and to maximize the lifespan of your product.

## SAFETY INFORMATION

- **Ventilation:** Upon unpacking, the memory foam may have a slight odor. This is normal and harmless. Place the topper in a well-ventilated area for 24-48 hours to allow it to air out and fully expand.
- **Fire Safety:** Keep the mattress topper away from open flames and other ignition sources. Memory foam is flammable.
- **Children and Pets:** Ensure packaging materials are kept away from children and pets to prevent suffocation hazards.
- **Handling:** Handle the topper carefully to avoid tears or damage to the foam.

## PACKAGE CONTENTS

Your Linenspa 5 cm Gel Infused Memory Foam Mattress Topper package includes:

- 1 x Linenspa 5 cm Gel Infused Memory Foam Topper
- 1 x Zippered Cover (pre-installed on the topper)

## SETUP INSTRUCTIONS

1. **Unpack the Topper:** Carefully remove the mattress topper from its packaging. The topper is typically vacuum-sealed and rolled. Avoid using sharp objects that could cut the foam.

Image: Unrolling the Linenspa mattress topper. This step is crucial for proper expansion.

2. **Allow for Expansion:** Unroll the topper and lay it flat on a clean, dry surface, preferably on your bed frame. Allow 24 to 48 hours for the memory foam to fully expand to its intended size and shape. During this time, any initial odor will dissipate.

Image: The Linenspa mattress topper fully expanded on a bed, ready for use.

- 3. Position on Mattress:** Once fully expanded, place the topper directly on top of your existing mattress. Ensure it is centered and aligned with the mattress edges.

**Memory foam conforms to your body to help align the spine and relieve pressure points**

4. **Apply Bedding:** Cover the mattress topper and your mattress with a fitted sheet to secure the topper in place.

## **OPERATING INSTRUCTIONS (USAGE)**

Your Linenspa Gel Infused Memory Foam Mattress Topper is designed to provide an additional layer of comfort and support to your existing mattress. Simply place it on your mattress as described in the setup instructions. The gel-infused memory foam will conform to your body, helping to align the spine and relieve pressure points, while also regulating temperature for a cooler sleep experience.

**Infused with temperature-regulating gel to help prevent overheating**

## **MAINTENANCE**

---

Proper care will extend the life of your mattress topper.

- **Cover Care:** The super soft zippered cover is removable and machine washable.

#### *Washing Instructions for Cover:*

- Machine wash cold with like colors.
  - Tumble dry low.
  - Do not bleach.
  - Do not iron.
- **Foam Care:** The memory foam itself is not washable. Spot clean only with a mild detergent and water. Allow to air dry completely before replacing the cover. Do not submerge the foam in water.
  - **Rotation:** Periodically rotate the topper (head to foot) to promote even wear and prolong its lifespan.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
<b>Initial Odor</b>	New memory foam products often have a harmless "new foam" scent.	Allow the topper to air out in a well-ventilated room for 24-48 hours before use. The odor will dissipate naturally.
<b>Topper not fully expanding</b>	Insufficient time for expansion after unpacking.	Ensure the topper is laid flat and given the full 24-48 hours to expand. Cooler temperatures can slow expansion; a warmer room may help.
<b>Creases or indentations remain</b>	Topper was folded or compressed for an extended period.	Allow additional time for expansion. Gentle manipulation or warmth (e.g., from a warm room) can help reduce creases. If creases persist after several days, contact customer support.
<b>Topper feels too soft/firm</b>	Personal preference or incorrect thickness chosen.	Memory foam softens with body heat. Allow a few nights to adjust. If still not satisfactory, consider if a different thickness (e.g., 7.5 cm or 10 cm) would better suit your preference.

## SPECIFICATIONS

Feature	Detail
<b>Product Dimensions</b>	200 x 180 x 5 cm
<b>Item Weight</b>	5.57 Kilograms
<b>Material</b>	Gel Infused Memory Foam
<b>Cover Fabric Type</b>	60% Polyester, 40% Viscose, Linen
<b>Care Instructions (Cover)</b>	Machine Wash
<b>Special Features</b>	Fully Encased, Temperature regulating, Washable cover
<b>Closure Type</b>	Zipper
<b>Model Number</b>	LS5C182030CGT-UK
<b>ASIN</b>	B08BT75SJC
