## SETUP GUIDE

---

### 1. Connecting to PS4/PS5 or PC

The HyperX Cloud Stinger Core Wireless headset connects via a 2.4GHz wireless USB adapter, ensuring a stable gaming-grade connection.

1. Locate the USB Wireless Adapter included in the box.
2. Insert the USB Wireless Adapter into an available USB port on your PlayStation console (PS4 or PS5) or PC.
3. Power on your HyperX Cloud Stinger Core headset by pressing and holding the power button located on the earcup until the LED indicator lights up.
4. The headset should automatically pair with the USB adapter. A solid LED light on the headset indicates a successful connection.

## 2. Charging the Headset

Before first use, ensure the headset is fully charged. A full charge provides up to 17 hours of battery life.

1. Connect the small end of the USB charging cable to the charging port on the headset.
2. Connect the larger USB end of the cable to a USB power source (e.g., a computer USB port, a USB wall adapter).
3. The LED indicator on the headset will show charging status. It typically takes about 3 hours for a full charge.

## OPERATING INSTRUCTIONS

---

### Audio Controls

The headset features convenient onboard audio controls on the earcup for quick adjustments.

- **Volume Wheel:** Rotate the wheel located on the left earcup up or down to adjust the master volume of the headset.
- **Power Button:** Press and hold to power the headset on or off. A short press may indicate battery status.

## Microphone Usage

The flexible, noise-cancelling microphone provides clear communication and can be easily muted.

- **Swivel-to-Mute:** To mute the microphone, simply swivel it upwards until it clicks into the vertical position. Swivel it back down to unmute.
- **Positioning:** Adjust the flexible microphone boom to position the microphone optimally near your mouth for the clearest voice pickup.

## MAINTENANCE

---

- **Cleaning:** Use a soft, dry cloth to clean the headset. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.
- **Ear Cushions:** The soft, breathable ear cushions can be gently wiped clean. Avoid saturating them with liquid.
- **Cable Care:** When charging, avoid bending or crimping the USB cable excessively to prevent damage.

## TROUBLESHOOTING

---

### No Audio / Disconnection

- **Check USB Adapter:** Ensure the USB Wireless Adapter is securely plugged into your device (PS4/PS5/PC).

- **Power On Headset:** Verify the headset is powered on and fully charged.
- **Re-pair:** If the headset does not automatically connect, try powering off both the headset and the device, then restart and re-insert the adapter.
- **Volume Levels:** Check the volume wheel on the headset and the audio output settings on your device.

Microphone Not Working

- **Check Mute Status:** Ensure the microphone is swiveled down and not in the muted position.
- **Device Settings:** Verify that the HyperX Cloud Stinger Core is selected as the input device in your PS4/PS5 or PC audio settings.
- **Application Settings:** Check microphone settings within your game or communication application (e.g., Discord, Zoom).

Short Battery Life

- **Full Charge:** Ensure the headset is charged for the recommended 3 hours for optimal battery performance.
- **Charging Cable:** Try using a different USB charging cable or USB port to rule out cable or port issues.
