

Jada 32031

Fast & Furious 1:32 2020 Jeep Gladiator Die-cast Car

Instruction Manual
Model: 32031 | Brand: Jada

1. INTRODUCTION

This manual provides essential information for the proper handling, operation, and maintenance of your Fast & Furious 1:32 2020 Jeep Gladiator Die-cast Car. This highly detailed collectible model is designed for fans and collectors, replicating the iconic vehicle from the Fast & Furious franchise. The die-cast model features styling cues directly from the movies, offering an authentic representation of the 2020 Jeep Gladiator. Please read this manual thoroughly to ensure a complete understanding of the product.

2. SAFETY INFORMATION

- **Recommended Age:** This product is recommended for ages 8 years and up. It contains small parts that may pose a choking hazard for younger children.
- **Adult Supervision:** Adult supervision is recommended, especially during initial unpacking and handling.
- **Handling:** Handle the die-cast model with care to prevent damage to delicate parts. Avoid dropping or applying excessive force.
- **Not a Toy for Rough Play:** While durable, this is a collectible model and not intended for rough play or impact.

3. WHAT'S IN THE BOX

Upon opening the package, please verify that all components are present and in good condition.

- One (1) Fast & Furious 1:32 2020 Jeep Gladiator Die-cast Car

4. SETUP

Your die-cast model comes ready for display or gentle play. No assembly is required.

1. **Unpacking:** Carefully remove the die-cast car from its packaging. Some models may be secured to the base with screws; use a small screwdriver to detach if necessary.
2. **Inspection:** Inspect the model for any visible damage or loose parts. If any issues are found, please refer to the Warranty and Support section.
3. **Placement:** Place the model on a flat, stable surface for display or prepare for operation.

5. OPERATING YOUR DIE-CAST CAR

This die-cast model is designed for display and light interaction. It does not feature remote control capabilities or motorized functions.

- **Rolling Function:** The wheels are free-rolling, allowing the car to be pushed manually across smooth surfaces.
- **Opening Doors:** The front doors of the model can be opened to reveal interior details. Gently pull the door handle to open.
- **Display:** The model is ideal for display on shelves, desks, or in dioramas.

6. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your die-cast model.

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the model. For stubborn dirt, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or harsh chemicals.
- **Storage:** Store the model in a cool, dry place away from direct sunlight and extreme temperatures, which can cause paint fading or material degradation.
- **Avoid Impact:** Do not drop the model or subject it to impacts, as this can cause paint chips, dents, or breakage of small parts.

7. TROUBLESHOOTING

Most issues with die-cast models are related to physical damage. Here are some common concerns and their resolutions:

Issue	Possible Cause	Solution
Wheels do not roll smoothly	Debris in axle, bent axle, or damaged wheel.	Gently remove any visible debris. If bent or damaged, contact support for options.

Issue	Possible Cause	Solution
Door does not open/close properly	Bent hinge or obstruction.	Carefully inspect the hinge for bends. Do not force the door.
Paint chips or scratches	Physical impact or abrasion.	These are typically cosmetic and not repairable without specialized tools. Prevent further damage by careful handling.

8. PRODUCT SPECIFICATIONS
