IMPORTANT SAFETY INFORMATION

WARNING:

- Keep children away from the product.
- Always follow AAP Safe Sleep Guidelines, including using a firm, flat sleep surface and ensuring mesh sides for visibility and breathability.
- Ensure all components are securely assembled before placing an infant in the bassinet.

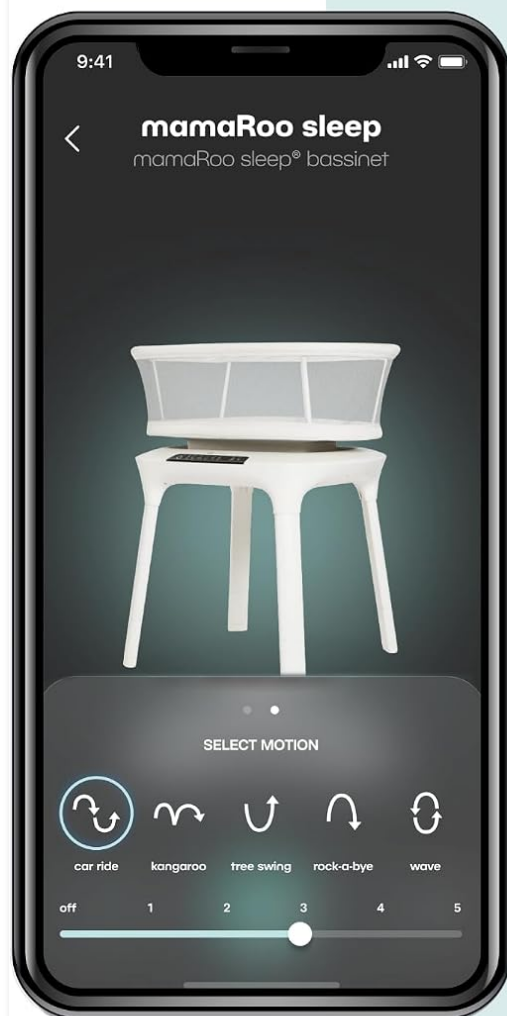

SETUP

Assembly

The 4moms MamaRoo Sleep Bassinet features a simple, tool-less assembly process. Refer to the included quick start guide for detailed visual instructions.

Height Adjustment

The bassinet's legs are adjustable to two different heights, allowing it to fit comfortably next to most beds. To adjust the height, remove the lower leg extensions by pressing the release buttons and pulling them off. Reattach them if a taller height is desired.

Parents have complete control of:

5 unique motions

4 white noise options

5 speeds

Timer

So that *they* can determine what works best for their little one.
