PURPLE LEAF B08BWPWNWK

PURPLE LEAF 3-Person Outdoor Patio Swing Gazebo with Netting and Curtains

Model: B08BWPWNWK

1. PRODUCT OVERVIEW

The PURPLE LEAF 3-Person Outdoor Patio Swing Gazebo is designed for versatile outdoor relaxation. It features a robust steel frame, a double-tier canopy, and integrated netting and curtains for enhanced comfort and protection. This multi-functional unit can be configured as a traditional swing or converted into a daybed.

2. SAFETY INFORMATION

To ensure safe operation and prevent injury or damage, please adhere to the following safety guidelines:

- Do not exceed the maximum load-bearing capacity of 800 pounds (approximately 363 kg).
- Ensure the gazebo is securely anchored to the ground using appropriate hardware to prevent tipping, especially in windy conditions.
- Follow all assembly instructions carefully and completely. Improper assembly can lead to instability and potential hazards.
- Keep children and pets away from the assembly area.
- Regularly inspect all bolts and connections to ensure they remain tight.
- Do not hang or climb on the frame.
- In severe weather conditions (e.g., strong winds, heavy snow), remove the canopy and curtains to prevent damage to the structure.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

Component	Description	Quantity
Main Frame Poles	Vertical and horizontal support poles for the gazebo structure.	Various
Swing Seat Frame	The base and backrest frame for the swing seat.	1 set
Canopy Frame	Upper frame for supporting the canopy.	1 set

Small Top Canopy Fabric	Smaller fabric cover for the vented top.	1
Seat Cushions	Padded cushions for the swing seat.	3 (removable)
Pillows	Decorative and support pillows.	4
Netting	Mesh screens for insect protection.	1 set
Curtains	Opaque curtains for privacy and sun protection.	1 set
Hardware Kit	Bolts, nuts, washers, and tools for assembly.	1 set

4. SETUP (ASSEMBLY)

Assembly typically requires two adults. Follow the steps below carefully. Refer to the assembly video for visual guidance.

4.1. Assembly Video Guide

Video 4.1: Official assembly guide for the PURPLE LEAF Patio Swing Gazebo. This video demonstrates each step of the assembly process, from attaching foot plates to installing the canopy and swing seat.

4.2. Step-by-Step Assembly Instructions

- 1. Install Foot Plates:** Attach the foot plates to the bottom of the main vertical poles (A1, A2, A3, A4) using the provided bolts. Ensure they are securely fastened.
- 2. Assemble Main Gazebo Frame:** Connect the horizontal support bars to the top of the vertical poles. Ensure all connections are aligned and secured with bolts. Do not fully tighten all bolts until the entire frame is assembled to allow for adjustments.
- 3. Assemble Swing Seat:** Connect the backrest and armrest components to the main seat frame. Ensure all parts are correctly oriented and secured with bolts.
- 4. Attach Swing Seat to Frame:** Carefully lift the assembled swing seat and attach it to the main gazebo frame using the designated hooks and rods. This step typically requires two people. Ensure the swing mechanism operates smoothly.
- 5. Install Small Top Canopy:** Before loading the main canopy, install the small top canopy onto its designated frame. This is often done by sliding rods through fabric sleeves.
- 6. Install Main Canopy:** Drape the main canopy fabric over the top frame. Secure it according to the instructions, ensuring it is taut and properly aligned.
- 7. Attach Netting and Curtains:** Attach the netting to the inner rails of the gazebo frame using the provided hooks or rings. Similarly, attach the curtains to the outer rails. Ensure zippers and ties are functional.
- 8. Final Tightening:** Once all components are in place and aligned, fully tighten all bolts and connections throughout the

entire structure.

5. OPERATING INSTRUCTIONS

The PURPLE LEAF Patio Swing Gazebo offers versatile configurations for your comfort and convenience.

5.1. 3-in-1 Design Functionality

- **Traditional Swing:** The primary function allows for comfortable swinging motion for up to three people.
- **Convertible Daybed:** The swing seat can be adjusted to lay flat, transforming into a spacious daybed for lounging.

Video 5.1.1: Demonstrates the conversion of the swing seat into a flat daybed configuration.

- **Gazebo with Netting and Curtains:**
 - **Inner Netting:** Pull the inner mesh netting around the swing to provide protection from insects while maintaining airflow.
 - **Outer Curtains:** For increased privacy or sun protection, draw the outer opaque curtains around the gazebo. These can be tied back when not in use.

Video 5.1.3: Demonstrates the convertible features of the gazebo swing, including the use of netting and curtains.

6. MAINTENANCE

Regular maintenance will extend the life and appearance of your patio swing gazebo.

- **Cleaning Frame:** Wipe the steel frame with a damp cloth and mild soap. Rinse thoroughly and dry completely to prevent rust. Avoid abrasive cleaners.
- **Cleaning Fabric:** The polyester fabric (canopy, cushions, curtains, netting) is water-repellent and colorfast. Clean with a soft brush or sponge, mild soap, and water. Air dry completely before storing or re-attaching.
- **Cushion Care:** The cushions are removable. Store cushions indoors during inclement weather or off-season to prolong their lifespan and prevent fading or mildew.
- **Seasonal Storage:** For prolonged periods of non-use or during harsh weather conditions (winter, heavy storms), it is recommended to disassemble and store the gazebo indoors. If full disassembly is not possible, remove all fabric components (canopy, netting, curtains, cushions) and store them in a dry, protected area.
- **Hardware Check:** Periodically check all bolts, nuts, and connections to ensure they are tight. Re-tighten as necessary.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your patio swing gazebo.

Problem	Possible Cause	Solution
Gazebo feels unstable or wobbly.	Loose bolts or improper anchoring.	Ensure all assembly bolts are fully tightened. Verify the gazebo is securely anchored to the ground. Consider additional anchoring if in a windy area.

Problem	Possible Cause	Solution
Canopy or curtains are fading.	Prolonged exposure to direct sunlight.	While fabric is UV resistant, continuous exposure can cause fading over time. Store fabric components indoors when not in use or during peak sun hours. Replacement canopies may be available from the manufacturer.
Water dripping from canopy during rain.	Canopy not fully waterproof or minor leaks.	The canopy is water-repellent, not fully waterproof. For heavy rain, water may accumulate or seep through. Ensure the canopy is taut to allow water runoff. Consider applying a fabric waterproofing spray for added protection.
Swing mechanism is stiff or squeaky.	Lack of lubrication or minor misalignment.	Apply a silicone-based lubricant to the pivot points and hinges of the swing. Check for any obstructions or misalignments in the swing's movement.
Missing or damaged parts upon arrival.	Shipping damage or packaging error.	Do not proceed with assembly. Contact PURPLE LEAF customer support immediately with your purchase details and a list of missing/damaged parts.

8. SPECIFICATIONS

- **Brand:** PURPLE LEAF
- **Model:** B08BWPWNWK
- **Material:** Alloy Steel, Polyester
- **Style:** Modern
- **Product Dimensions (L x W x H):** 92" x 61" x 74" (233.7 cm x 154.9 cm x 188 cm)
- **Item Weight:** 200.75 Pounds (91.06 kg)
- **Frame Material:** Alloy Steel
- **Water Resistance Level:** Water Repellent
- **Shape:** Rectangular
- **Ultraviolet Light Protection:** UV Protection
- **Assembly Required:** Yes
- **Occupancy:** 3-4 Person
- **Color:** Beige
