## OPERATING (BUILDING WITH PLUS-PLUS)

The pegboards provide a stable base for creating both 2D mosaics and 3D structures with your Plus-Plus BIG pieces. Simply connect your Plus-Plus pieces into the square holes of the pegboard to begin building.

### Creative Building Ideas:

- **2D Mosaics:** Use the pegboard to create flat designs, patterns, or pictures by filling the holes with Plus-Plus pieces.
- **3D Structures:** Build upwards from the pegboard to create three-dimensional models, characters, or scenes. The pegboard provides a strong foundation.
- **Combine Colors:** Experiment with different color combinations to bring your creations to life.

## TROUBLESHOOTING

Plus-Plus construction toys are designed for simple and intuitive use. If you encounter any issues:

- **Difficulty Connecting Pieces:** Ensure you are using Plus-Plus BIG pieces with the BIG pegboards. The pieces should fit snugly into the square holes.
- **Lost Pieces:** While this set provides pegboards, additional Plus-Plus pieces can be purchased separately to expand your collection.
