Diablo X-Player S

Diablo X-Player 2.0 Gaming Chair Instruction Manual (Kido S)

Model: X-Player S | Brand: Diablo

INTRODUCTION

This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your Diablo X-Player 2.0 Gaming Chair, Kido (S) model. Please read these instructions carefully before use to ensure proper function and safety.

SAFETY WARNINGS

- This chair is designed for a maximum weight of **150 kg**. Exceeding this limit may cause damage or injury.
- Assemble the chair carefully using appropriate tools to avoid injury.
- Use adjustable mechanisms (backrest and armrests) gently and deliberately.
- This chair is recommended for users up to **155 cm** in height.
- Keep small parts away from children during assembly.

PACKAGE CONTENTS

Before assembly, ensure all components are present. The package typically includes:

- Backrest
- Seat Base
- Armrests (2)
- Star Base
- Casters (5)
- Gas Lift Cylinder

- Gas Lift Cover
- Tilt Mechanism
- Neck Cushion
- Lumbar Cushion
- Assembly Hardware (screws, tools)

ASSEMBLY INSTRUCTIONS

Most screws are pre-installed in their respective positions to simplify assembly. Remove them before attaching parts, then re-insert to secure.

1. **Attach Casters to Star Base:** Insert each caster into the holes at the end of the star base legs until they click into place.
2. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the star base. Cover it with the gas lift cover.
3. **Attach Tilt Mechanism to Seat Base:** Align the tilt mechanism with the screw holes on the underside of the seat base. Secure with the provided screws. Ensure the front of the mechanism faces the front of

the seat.

4. **Attach Armrests to Seat Base:** Secure the armrests to the seat base using the designated screws.
5. **Attach Backrest to Seat Base:** Align the backrest with the mounting brackets on the seat base. Secure with screws.
6. **Connect Seat to Gas Lift:** Carefully place the assembled seat and backrest onto the gas lift cylinder. Apply downward pressure to secure.
7. **Attach Cushions:** Position the neck and lumbar cushions as desired. The lumbar cushion typically attaches with straps around the backrest.

OPERATING INSTRUCTIONS

Height Adjustment

To adjust the chair's height, locate the lever on the right side, beneath the seat. Pull the lever up while seated to lower the chair, or pull it up while standing to raise it. Release the lever at the desired height.

Tilt Mechanism (Tilttech Gear & Swing)

The chair features a tilt mechanism allowing for various recline angles up to 160 degrees. Use the lever on the left side to adjust the backrest angle. The Tilttech Swing function allows for rocking motion; engage or disengage this feature using the knob or lever located beneath the seat.

Image: Illustration of the Tilttech Gear mechanism, demonstrating recline positions for gaming (120°), work (90°), movie watching (140°), and turbo nap (160°).

Image: Diagram illustrating the Tilttech Swing function, showing how the chair can rock and how to engage/disengage the rocking motion.

3D Adjustable Armrests (Armtech Hybrid)

The armrests can be adjusted in three dimensions: height, forward/backward, and rotation. Use the buttons or levers on the armrests to unlock and adjust to your preferred position. Release to lock.

Neck and Lumbar Cushions (X-Pillow)

The memory foam neck and lumbar cushions provide additional support. Adjust their position along the backrest to align with the natural curve of your spine and neck for optimal ergonomic posture.

MAINTENANCE

- **Cleaning:** Spot clean the faux leather and fabric upholstery with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners.
- **Regular Checks:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary.
- **Lubrication:** If the chair develops squeaks, especially around the tilt mechanism or gas lift, apply a small amount of silicone-based lubricant to moving parts.
- **Caster Care:** Keep casters free of hair and debris to ensure smooth movement.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Chair squeaks	Loose connections, lack of lubrication in moving parts.	Tighten all screws. Apply silicone lubricant to the tilt mechanism, gas lift, and other moving joints.
Gas lift not holding height	Faulty gas lift cylinder.	Contact customer support for a replacement gas lift.
Armrests feel unstable	Loose armrest screws.	Tighten the screws securing the armrests to the seat base.
Casters not rolling smoothly	Debris caught in casters.	Remove any hair or debris from the caster wheels.

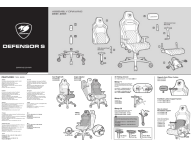

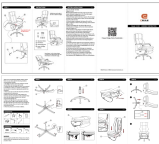

SPECIFICATIONS

Feature	Detail
Brand	Diablo
Model Number	I6-1T7N-WJLX
Item Model Number	X-Player S
Colour	White-Black
Product Dimensions	46 x 65 x 120 cm (D x W x H)
Item Weight	25 Kilograms
Material	Faux Leather, Nettle Fiber, Diablo Honeycomb Mesh
Special Features	Adjustable Height, 3D Arm Rest, Cushion Availability, Ergonomic Design, Head Support, Tilt Mechanism (up to 160°)
Maximum Load Capacity	160 kg
