## Skullcandy Set USB-C

# Skullcandy Set USB-C Wired Earbuds User Manual

Model: Set USB-C

### INTRODUCTION

The Skullcandy Set USB-C Wired Earbuds are designed to deliver a rich audio experience with the convenience of a USB-C connection. These earbuds feature a noise-isolating fit, an in-line microphone for calls, and controls for managing audio playback and calls. They are built to be sweat and water resistant, making them suitable for various activities.

## SETUP

Follow these steps to set up your Skullcandy Set USB-C Wired Earbuds:

1. **Choose Ear Gels:** Select the ear gel size that provides the most comfortable and secure fit. A proper seal is crucial for optimal noise isolation and sound quality. Gently pull off the pre-installed ear gels and replace them with your

preferred size.

2. **Insert Earbuds:** Gently insert each earbud into the corresponding ear canal. Adjust them until they feel snug and comfortable. The noise-isolating fit helps block out external sounds.
3. **Connect to Device:** Plug the USB-C connector of the earbuds into the USB-C port of your compatible Android device, laptop, or other audio source.
4. **Audio Output Selection:** Your device should automatically recognize the earbuds. If not, navigate to your device's audio settings and select the Skullcandy Set USB-C as the audio output device.

## OPERATING INSTRUCTIONS

The Skullcandy Set USB-C earbuds feature an in-line remote for easy control of your audio and calls.

### Audio Control

- **Play/Pause:** Press the center button once.
- **Next Track:** Press the center button twice quickly.
- **Previous Track:** Press the center button three times quickly.
- **Volume Up:** Press the '+' button.
- **Volume Down:** Press the '-' button.

### Call Control

- **Answer/End Call:** Press the center button once during an incoming call or an active call.
- **Reject Call:** Press and hold the center button for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Press and hold the center button for 2 seconds when not on a call.

## MAINTENANCE

Proper care will extend the life of your Skullcandy Set USB-C Earbuds:

- **Cleaning Ear Gels:** Periodically remove the ear gels and clean them with a soft cloth dampened with mild soap and water. Ensure they are completely dry before reattaching.
- **Cleaning Earbuds:** Use a dry, soft cloth to wipe down the earbuds and the in-line remote. Avoid using harsh chemicals or abrasive materials.
- **Cable Care:** Avoid sharp bends or excessive pulling on the cable to prevent damage. The cable is designed to be tangle-free, but proper handling is still recommended.
- **Storage:** When not in use, store your earbuds in a clean, dry place, preferably in a small pouch or case to protect them from dust and physical damage.
- **Water Resistance:** The earbuds are IPX4 sweat and water resistant. This means they can withstand splashes and sweat, but they are not designed for submersion in water. Do not expose them to running water or wear them while swimming.

## TROUBLESHOOTING

If you encounter issues with your Skullcandy Set USB-C Earbuds, try the following solutions:

Problem	Possible Solution
No sound or low volume	Ensure the USB-C connector is fully inserted into your device. Check your device's volume settings and ensure it is not muted. Try connecting the earbuds to a different device to rule out a device issue. Clean any debris from the USB-C port on your device and the earbud connector.
Microphone not working	Ensure the earbuds are fully connected to your device. Check your device's microphone input settings. Test the microphone with a different application or device.
Controls not responding	Ensure the earbuds are securely connected. Restart your connected device. Some older devices may have limited compatibility with in-line controls.
Earbuds fall out easily or are uncomfortable	Experiment with the different sizes of ear gels included to find the best fit. Ensure the earbuds are inserted correctly into your ear canal.

## SPECIFICATIONS

Detailed technical specifications for the Skullcandy Set USB-C Wired Earbuds:
