### 4. Assembly Instructions

---

Assembly typically requires one adult. Follow the numbered steps and refer to the illustrations provided in your package. An Allen key is usually included.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, clean surface to prevent scratches. Identify all components against the package contents list.
2. **Attach Base Frame:** Secure the two birch wood base frames to the underside of each white seat using the provided screws. Ensure they are aligned correctly.
3. **Install Legs:** Attach the four birch wood legs to the base frame of each chair. The legs have pre-drilled holes for seat height adjustment. For initial assembly, choose the desired height level and align the holes. Secure with bolts and nuts. Do not fully tighten yet.
4. **Attach Backrest:** Connect the white backrest to the rear of the seat and the upper part of the rear legs. Use the appropriate screws and ensure the curved part faces upwards for ergonomic support.
5. **Attach Armrests:** Secure the birch wood armrests to the sides of the backrest and the front legs. Ensure they are firmly attached.
6. **Final Tightening:** Once all components are in place, carefully tighten all screws and bolts using the Allen key. Do not overtighten.
7. **Stability Check:** Gently shake the assembled chair to ensure it is stable and all connections are secure.

## 5. Operating Instructions: Adjustable Seat Height

---

The SoBuy KMB24-Wx2 armchairs feature an adjustable seat height to accommodate your child as they grow. The seat height can be set at 23cm, 27cm, 31cm, or 35cm from the floor.

1. **Empty the Chair:** Ensure no one is sitting on the chair before attempting to adjust the height.
2. **Loosen Fasteners:** Using the provided Allen key, carefully loosen the bolts that secure the seat to the legs. You do not need to remove them completely, just enough to allow movement.
3. **Adjust Height:** Gently lift or lower the seat to align with the desired set of holes on the chair legs. Ensure all four legs are aligned to the same height setting.
4. **Secure Fasteners:** Once the seat is at the desired height, re-tighten all bolts firmly.
5. **Verify Stability:** Check that the chair is stable and all connections are secure after adjustment.

## 6. Maintenance and Care

Regular maintenance will help preserve the appearance and functionality of your SoBuy children's armchairs.

- **Inspection:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause the wood to fade or dry out.
- **Humidity Control:** Maintain a stable room temperature and humidity to prevent wood warping or cracking.
