Sparco SPCK1013

SPARCO SPCK1013 Car Seat Back Organizer Instruction Manual

Model: SPCK1013

Introduction

Thank you for choosing the SPARCO SPCK1013 Car Seat Back Organizer. This product is designed to provide convenient storage and protection for the back of your car seat. It helps keep your vehicle tidy and protects against dirt and wear. This manual provides essential information for the proper installation, use, and maintenance of your organizer.

Safety Information

- Ensure the organizer is securely fastened to prevent it from becoming a projectile during sudden stops or accidents.
- Do not obstruct the driver's view or access to vehicle controls.
- Avoid placing sharp or heavy objects in the pockets that could cause injury in case of impact.
- Regularly check the straps for wear and tear.

Package Contents

The SPARCO SPCK1013 Car Seat Back Organizer package includes:

- 1 x SPARCO SPCK1013 Car Seat Back Organizer

Setup and Installation

The SPARCO SPCK1013 organizer is designed for universal fit and easy installation. Follow these steps to properly install the organizer:

1. Position the organizer against the back of the front car seat, ensuring the top strap aligns with the headrest.
2. Secure the adjustable strap around the headrest posts or the top of the seat, tightening it for a snug fit.
3. Locate the lower elastic strap(s) or hooks and secure them around the bottom of the car seat or to an appropriate anchor point to prevent sliding.
4. Adjust all straps to ensure the organizer is taut and does not interfere with the seat's functionality or passenger comfort.

Operating Instructions

The SPARCO SPCK1013 organizer features multiple compartments designed to store various items, keeping them accessible and organized during travel.

- **Tablet Pocket:** Utilize the clear, touch-sensitive pocket at the top to securely hold a tablet for entertainment. Ensure the tablet is placed gently and fits within the pocket's dimensions.
- **Mesh Pockets:** The lower mesh pockets are suitable for storing water bottles, drinks, snacks, small toys, or other

frequently accessed items.

- **General Storage:** Other pockets can accommodate tissues, books, or other travel essentials.

Figure 2: Detailed view of the organizer's compartments, including the tablet holder and bottle pocket.

The organizer also serves as a protective barrier for the back of your car seat, shielding it from dirt, scuffs, and spills, especially from children's feet.

Maintenance and Cleaning

To maintain the longevity and appearance of your SPARCO SPCK1013 Car Seat Back Organizer, follow these cleaning guidelines:

- The organizer is designed to be easily wiped clean. Use a damp cloth with mild soap and water for general cleaning.
- For more thorough cleaning, the organizer is removable and washable. Refer to the care label for specific washing instructions, typically hand wash or gentle machine wash with cold water.
- Allow the organizer to air dry completely before re-installing it in your vehicle.
- Do not use harsh chemicals, abrasive cleaners, or bleach, as these can damage the material.

Troubleshooting

If you encounter any issues with your SPARCO SPCK1013 Car Seat Back Organizer, consider the following common solutions:

- **Organizer slides or sags:** Ensure all straps are securely fastened and tightened. Re-adjust the top and bottom straps for a firmer fit.
- **Tablet screen not responsive through pocket:** Check if the tablet is properly positioned and if the screen protector (if any) is clean. Some thicker screen protectors on tablets might reduce touch sensitivity.
- **Difficulty fitting items:** The pockets are designed for standard-sized items. Avoid overstuffing pockets, which can strain seams and affect the organizer's shape.
