Care and Maintenance

Proper care will extend the life and appearance of your ODK Small Desk. The desk features a tabletop made of high-quality particleboard, designed to be scratch-resistant, anti-collision, and waterproof.

- **Cleaning:** Wipe surfaces regularly with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Avoid harsh chemicals or abrasive materials that could damage the finish.
- **Spills:** Although the tabletop is waterproof, promptly wipe up any spills to prevent potential damage or staining.
- **Protection:** Use coasters for drinks and protective pads under hot items or sharp objects to prevent marks and scratches.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain desk stability.
- **Environment:** Avoid placing the desk in direct sunlight or near heat sources, as extreme temperatures can affect the material over time.
